

# Future of Nursing: State Implementation Program

## Maryland Review and Revision of Articulation Model

---

REBECCA WISEMAN, PHD, RN

PROJECT DIRECTOR

# Background

---

Continues work on academic progression

Maryland articulation model last reviewed and revised in 1998 (developed in 1985).

Dual enrollment and dual admission programs have developed and not reflected in the old model

# Process

---

Maryland Council of Deans and Directors of Nursing Programs (MCDDNP)

Committee formed to review and revise the articulation model in September 2015

# Members of Committee

---
