Hello All and greetings from Week 17!

Lots of things going on this week that I couldn't wait to share.

A recap:

The article in the Elm about our One Virtual Hour in a Day of Service: <https://elm.umaryland.edu/elm-stories/Elm-Stories-Content/HSLSs-Virtual-Hour-of-Service-.php>

Step Challenge Team – hope you signed up! [https://cf.umaryland.edu/ultimate\\_mileage/mainmenu.cfm](https://cf.umaryland.edu/ultimate_mileage/mainmenu.cfm)

Pearl Tunnel Gallery – beautiful and Colette is in it!

Robin's Retirement

In other news:

Tony was featured in an article in MLA Connect highlighting an MLA member – I can't share it because it is password protected.

Gail, Ting, and Maria will be the HS/HSL representatives on the Faculty Librarian Appointment, Promotion, and Permanent Status Committee. Maria will chair.

MJ's advice for this week to help you get through the summer:
