Unbelievable!

This will be a short email for what has felt like a long week!

A couple of things going on.

1. The Reopening Task Force is plugging along. Hope you will be attending our meeting next Friday to go over plans (at least as we know them on that day) – the bonus word for the week is fluidity – things change daily at UMB regarding rules, supplies, etc. So we will give you the best info we can at the time, on that day, and in that hour.

2. And don't forget Robin's Virtual Retirement Party on Thursday.
3. And Wrangler J-P will be talking about data on Tuesday.

The HS/HSL walking team continues to amaze – we are one tough bunch of walkers. Maybe we should have an online pep rally! We are only walking until August 20 so send us good thoughts for strong legs and lots of steps. I am having a slow day today so when I get finished with this email I must go steppin' out. Listen to Joe

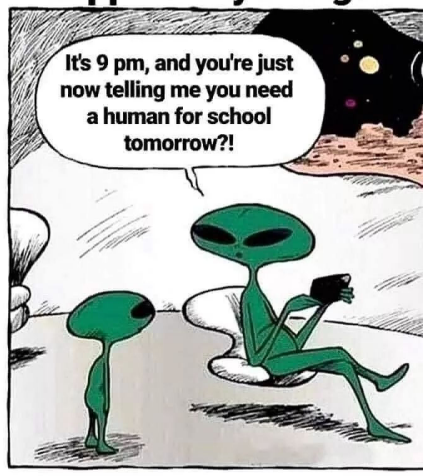

Jackson <https://www.youtube.com/watch?v=PJwt2dxx9yg> – good walking music! Or if I walk with Ron – Tony Bennett <https://www.youtube.com/watch?v=j2K27d5gRsY> Steppin' Out With my Baby.

Need something to do this weekend? How about a building your own pool? I am partial to the hay bale one:

And finally, humor! Because we need to laugh. For all you parents out there.

Stay safe and well!
