The Champions of Excellence campaign is a multiyear branding campaign at the University of Maryland, Baltimore (UMB) in which we highlight individuals and teams that exemplify extraordinary accomplishment and represent excellence at the University.

Great universities are made up of great programs, people, and teams, so by sharing these stories, to both internal and external audiences, UMB can personalize its mission, core values, and groundbreaking achievements. Baltimore, our region, and in some cases the world are better places because of what UMB people do. Want to know how? Read about our Champions of Excellence!

About the campaign

In the next stage of this campaign, On the Front Lines: UMB Champions of Excellence, we are featuring UMB's essential employees, the front-line workers who have continued to fulfill their extraordinary commitment to the University by keeping our important functions and operations running during the COVID-19 pandemic.
