**Subject:** Working!

Hello everyone –

Early message this week.

Like many of you, I am looking at my leave balances and slipping in days here and there. Tomorrow looked like a good one to take off.

Another busy week with a lot to share.

1. Congratulations to Tara and Anna-Marie for their successful partnership (for the third year) with the School of Pharmacy on our ever-popular Flu Clinic. Although the pandemic brought some interesting challenges, those two overcame all the issues. 63 people received the flu vaccine. I know Tara and Anna-Marie wished they could do more but through their efforts, 63 people will be safe from the flu. If you haven't gotten your flu shot yet, there is still time. Please consider it this year. With COVID-19, it is more important than ever. Here's picture of one brave library celebrity getting her shot:

2. I am sorry to announce that Ginger Burcham will be leaving the HS/HSL for a new position with the government at the end of the month. Even though she has only been with us a short time she has had quite an impact as we have remodeled our second and fifth floors and opened our Lactation Room. She has an unerring sense of design, layout, and color and has been a real asset to us. Throughout the pandemic she has come to the building to receive shipments, work with Facilities, and help with all sorts of projects. A key member of our reopening task force, she was essential to our excellent planning efforts. Thank you Ginger. We wish you the best.
3. Due to the pandemic, we slipped a bit in recording our professional development activities for FY20. Christina sent out a message regarding back recording those efforts. Please go back through your calendars and add data in. AND with several fall meetings coming up, remember to input any activities for this year. Don't make Christina come after you!
4. Bringing your attention to a program of interest thanks to the recently retired Robin Klein. The 2020 Henrietta Lacks Memorial Lecture is being held from 12-1 on Saturday, October 24<sup>th</sup>. The link can be

found here <https://www.eventbrite.com/e/2020-henrietta-lacks-memorial-lecture-100-years-of-henrietta-lacks-tickets-124448134721> The Lecture is always excellent and inspirational.

Some humor to start your weekend (and the Fall) early with me:

Stay safe and well, all!

M.J.
