Hello all –

READ THE EMAIL FROM STEVE DECK REGARDING MASKING AND DISTANCING THAT CAME EARLIER TODAY!

Other than that...

Another pretty slow week. I've noticed now that things are more relaxed COVID-wise, people are taking time off which I am delighted to see.

Second order of business – THE OFFICIAL WORKING SURVEY! Please complete the following survey regarding your thoughts on my weekly Working email.

https://umaryland.az1.qualtrics.com/jfe/form/SV_1XJDRdTwhjSUdym

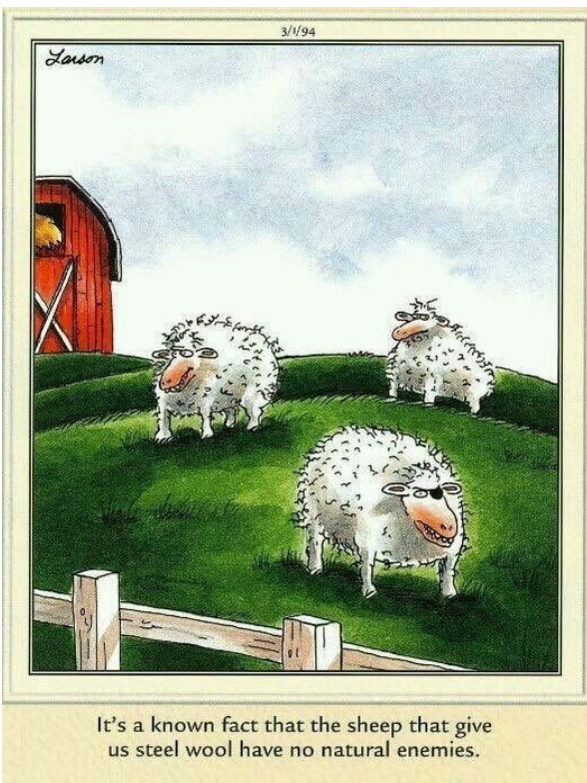

Please complete by **July 2**. Many thanks to Anna-Marie who worked with me to develop the survey.

We now have THREE Carpentries Certified instructors. In addition to J-P, Amy and Brian are certified! Congratulations – that is quite an accomplishment!

And an offer you might be interested in. As you know we recently released the Citizen Science Course. I encourage everyone to take it and if you are interested in the certification, the HSHSL will pay the \$25 fee as part of staff development. But you have to ask! So please do...if you are interested.

And some humor:

THE FACT THAT MY ENTIRE BODY CRACKS LIKE A GLOWSTICK WHENEVER I MOVE AND YET REFUSES TO ACTUALLY GLOW IS VERY DISAPPOINTING.

Another of life's disappointments – I am still ticked that I can't fly or set things on fire with my thoughts.

From the garden – astilbes and hydrangeas

Enjoy the day tomorrow and think about why it is important.

Stay safe and well!

M.J.
