

# UMB Recovery | Novel Coronavirus (COVID-19)

## Letter Regarding UMB Parking Updates

June 26, 2020

This information has been archived. Some or all of the information below is no longer accurate.

To the UMB Community:

The Office of Parking and Transportation Services (PTS) has implemented a new traffic/garage text alertssystem to inform the University of Maryland, Baltimore (UMB) community of traffic conditions. These notifications would affect immediate travel to and from campus for faculty, staff, students, and anyone who frequents campus. The alerts also will inform the UMB community of any urgent operational incidents regarding our garage facilities.

Alerts will be sent between 6 a.m. and 6 p.m. Monday through Friday.

### Enrollment and Cancellation

To enroll, send the text message "UMBTransport" to 888777. You will receive two texts, one welcoming you to the service and another identifying that the alerts will be from UMB Parking and Transportation.

If, at any time, you decide you want to stop receiving text message alerts and advisories, simply text the word "STOP" to 888777.

If you have any questions, please feel free to contact [Janet Thomas](#), program specialist, PTS.

Also note that COVID-related operational changes will be taking place in University garages beginning Monday, June 29. Details regarding changes are available on the [PTS website](#).

Sincerely,

**Robert Milner, MS**  
Executive Director, Auxiliary Services
