Hi Everyone!

I was offered up as tribute to write M.J.'s weekly "Working" e-mail. Here is my "character building," no-nonsense, super-dry update!

The HSHSL is closed September 4-6 in observance of Labor Day.

Congratulations to J.P and his wife, Jen, on welcoming Jasmine Selene to their happy family! Mom and baby are both doing great.

Congratulations to Everly Brown on her acceptance in the [UMB Emerging Leaders Program](#) and Tara Wink & Persia Drummond on their acceptance in the [UMBrella Coaching Program](#)!

Don't forget to record it in the [Teaching Statistics](#)

Usually M.J. shares comics at the end of her message. Do you know how difficult it is to find something humorous that isn't my normal dark un-PC humor? I hope these will tide you over.

I was walking past a farm and a sign said 'Duck, eggs'.

I thought: "That's an unnecessary comma - and then it hit me."

**Albert Einstein was a genius who created many incredible things worthy of honor.**

**However, his brother Frank was an absolute monster.**

**Me:** "I'm still tired from all the crossfit this morning."

**My co-worker:** "It's pronounced 'croissant' and you ate 4 of them."

I discovered this comic by Tom Gauld which spoke to me:

If I've missed anything, I sincerely apologize! Alexa takes the reigns next week.

Have a safe, relaxing, and super fun holiday weekend!
