Last Chance to Apply for Faculty Development Institute in Costa Rica

Deadline June 2

Applications are now open for the second [UMB/Costa Rica Faculty Development Institute](#), an immersive faculty development program in Costa Rica for a select

cohort of UMB faculty members to globalize their courses, modules, tracks, or clinical electives.

From December 9-16, 2023, faculty members will engage in a series of interactive workshops on topics such as learning design and assessment, strategies to globalize curricula, ethical global engagement, incorporating active learning, inclusive classroom practice, and other topics.

Participants must propose a global course, module, track, clinical elective, or international program that they will design in collaboration with skilled trainers during the workshop. Travel, lodging, and food are covered for selected Fellows by the Institute.

Application deadline is June 2 with acceptance decisions by June 16.

Globalizing Curriculum Featured in Latest Moving the Needle Podcast

The UMB/Costa Rica Faculty Development Institute was featured in the latest episode of the [Moving the Needle podcast](#), which features frank conversations with instructors, learners, leaders, and creators about all things teaching and learning, encouraging listeners to learn from hard-won experiences and let the ideas help them move the needle in their own teaching.

In [Globalizing the Curriculum, At Home and Abroad: The Costa Rica Faculty Development Institute \(Episode 25\)](#), host Erin Hagar spoke with Institute participants about the importance of bringing a globalized perspective into classrooms.

How can we as ? And if traveling with our students isn't possible, how can we bring global ideas into our classrooms, fostering a positive classroom environment for diversity and incorporating community engaged learning?

Amy Ramirez, MA, Executive Director of Global Learning and International Services at CGE, and Carlos Faerron Guzmán, MD, MSc, Associate Professor of Global Health, UMB Graduate School, spoke about how UMB faculty are thoughtfully and ethically designing global learning experiences for UMB students across the seven schools.

The episode also spoke with Institute participants Elias Snyder, MS, FNP-C, ACHPN, Director of the Office of Global Health at the School of Nursing, and Eleanor Fleming, DDS, PhD, MPH, FICD, Assistant Dean for Equity, Diversity, and Inclusion at the School of Dentistry.

PA and PA Students: Apply for Global Outreach Grants

PA FOUNDATION

Deadline: June 9

Launched in 2005, the PA Foundation's Global Outreach Grants Program provides grants to support projects involving PAs and PA students in humanitarian activities designed to improve the quality of life in underserved areas outside the United States or its territories. The grants promote sustainable development in the areas of healthcare and health education for populations and communities in need.

The foundation provides funding for projects that enhance or expand existing programs and provide the participating PAs and students an invaluable learning experience in healthcare delivery, leadership, and project management.
