Dear Mrs. Kendall:

We do not have anything in the way of a mimeographed form which you could use to pass out to the people about whom you wrote in your letter of January 11th. We shall, however, send you a number of application blanks, upon the reverse side of which is printed the Requirements for Membership according to the Constitution, and stating quite clearly that persons not meeting these requirements will not have their application fees refunded if they apply and do not qualify. I think it might be a good idea later, when the Council on Medical Education and Hospital get their new list prepared, to prepare a form of this sort so that Chapters can have them on hand.

We are interested that you are going to Minneapolis to observe Sister Kemney's work, and I would be much interested in having your general "off-the-record" reactions.

Sincerely yours,

Catherine Worthingham
President
