Dear Mrs. Hardin .

On behalf of our board kindly accept my thanks and appreciation for your courtesy extended to me in our phone conversation this p.m.

As this matter is of utmost importance to us all I do trust that both committees will be able to meet this coming week.

At your suggestion I again called Mr. Kendall, however as there was no answer I will call him again tonight or tomorrow.

Thanking you for this favor
Sincerely

Gordon D. McLean, Sec.
