Dear Mr. Kendall:

I am sending you enclosed my letter to Mr Stein.

I wrote for the registry to the chairman of the judiciary committee in the way I had told you over the phone.

Sincerely,

Mr. Edwin Stein

Dear Mr. Stein:

Enclosed I am sending you a transcript of my grades for the last semester at Hopkins and the letter notifying me of the award of the master's degree. Would you please let me know in case you should wish to have a certified statement of graduation.

In your letter of March 8, 1949 you advised me of my appointment as physical therapist as of February 1, 1949 and my being eligible for election after a satisfactory probationary period of 2 years. At a later date Miss Corb informed me that I should be hired or fired within a 3 years' period after my appointment. 3 years have now gone by in addition to the 5½ years of previous service. Would you be so kind as to inform me about the stand of the matter? I realize with regret that due to my German education and due to the recency of the establishment of a status for therapists, I have taken a quite undue share of your time. From now on, I trust, that I shall only send in from time to time some of the 27 credit points that remain to be earned.

Sincerely yours,

Gabriele Bruck
