This will acknowledge receipt of your letter of April 15th, asking me to support H.R. 3761, which provides permanent commission status for members of the Army Nurse Corps.

I have not as yet had an opportunity to study the provisions of this bill in detail, but I wish to say that I am in favor of its principles.

I shall bear in mind your interest in its passage when it comes before the House for consideration.

Dear Mrs. Hardin:

I agree with you that HR 3761 for giving
nurses the same rank and privileges as other officers
in the armed service should be passed, and I shall very
gladly support it when it is presented to the House.
