Doctor William J. Peeples, Commissioner
Maryland State Department of Health
301 West Preston Street
Baltimore, Maryland

Dear Doctor Peeples:

As president of the American Physical Therapy Association of Maryland and Supervising Physical Therapist for the State Health Department, I strongly urge the State Health Department to oppose Senate Bills 312 and 313.

These bills are neither in the best interests of the public or the physical therapy profession in the State of Maryland.

Sincerely yours,

William F. Lang
