REGISTERED NURSING

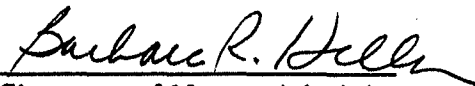

EDUCATION PROGRAM

SURVEY REPORT

University of Maryland School of Nursing

Name of Program

I hereby certify that the data and information contained in this questionnaire are, to the best of my knowledge, correct.

Signature of Nurse Administrator

September 30, 1996

Date Submitted

Please provide information on any changes that have occurred since the last report.

1. Name and title of administrator of the educational unit in nursing

Barbara R. Heller, EdD, RN, FAAN
Dean and Professor

2. List clinical facilities. Please do not list facilities utilized for observation only. List only facilities added or deleted since the last report. Indicate deleted facilities by placing a "D" after facility name.

See Attached List

STATISTICAL DATA

Please provide the data for the school year starting July 1, 1996.

Total number of students enrolled in one or more nursing courses 1,566 (includes Graduate students)
(if a student is enrolled in two or more nursing course simultaneously count them only once).

ENROLLMENT:

**Generic
Students**

**Degree Completion
(BSN Only)**

Freshman Nursing Courses:

Sophomore Nursing Courses:

Junior Nursing Courses: 244

Senior Nursing Courses: 227 306

How many students are LPN's: 8

How many students are enrolled in the nursing program for the school year beginning September 1996: 777

NURSE FACULTY STATISTICS

Please note that there are separate forms for faculty and clinical instructors. On each appropriate form please list only faculty/clinical instructors that have been hired since the last report.

Faculty means an individual who is employed to teach either theory or the theory and clinical components of a nursing course.

1. Total number of faculty 98
2. Number of F.T.E. positions in your program? 98.08
3. Number of F.T.E. positions filled by faculty 90.78

CLINICAL INSTRUCTORS

Clinical instructor means an individual who is employed solely for clinical or laboratory instruction of students.

1. How many clinical instructors are employed? 22
2. Total number of F.T.E. positions utilized by clinical instructors 7.3
3. What percentage of F.T.E. positions are filled by clinical instructors? 7%

CURRICULUM PLAN

1. This form is only to be submitted if changes have been made in the previously approved curriculum plan. Please submit the revised curriculum form. Complete the form for the currently enrolled class. If you have made curriculum changes, please submit another form for these newly admitted classes.
2. List the number of weeks in each semester.
3. List courses offered in each semester.

List total hours of:

- a. Theory instruction
 - b. Clinical experience
 - c. Each course listed
 - d. List both credit hours and total hours.
4. Give total number of hours in program.

CATALOGUE

You must include a copy of the current catalogue or bulletin.
