1976 Questionnaire to Master's Programs for Professional Nurses

DIRECTOR, MASTERS PROGRAM IN NURSING  
UNIVERSITY OF MARYLAND  
655 W LOMBARD STREET  
BALTIMORE MARYLAND 21201

52-414 3 MA

All information requested on this questionnaire pertains to graduate students (excluding doctoral students) who are enrolled in, or who have completed, master's programs which lead to a degree granted through the educational unit in nursing. Post-baccalaureate students who are enrolled in individual courses or extension courses should not be included unless they are matriculated in a specific program.

In this questionnaire, spaces are available for you to write in the names of your programs when our categories do not fit them. Please do not write in the name of a program if one of our categories would serve the purpose for tabulating the results. For classification of full-time and part-time students, use the policy followed in your university.

As you know, the results of this questionnaire serve many purposes. Your cooperation in filling it out is greatly appreciated.

1. Please check if you do not wish to have statistical information from this questionnaire published in printed media which identifies your school by name. (For example, information for Professional Nurse Traineeship Program.) 5876  
13-1  
No Permission  -2
  
2. How many graduate students received master's degrees during the period August 1, 1975 through July 31, 1976? 87 14-16
  
3. How many graduate students were enrolled in programs leading to a master's degree for the fall semester or quarter of 1976? (Each student should be counted only once.) Full-time 193 17-19  
Part-time 80 20-22
  
4. Does the educational unit in nursing offer a program leading to a doctoral degree in nursing? Yes   
No   
If No: Is a doctoral program being planned? Yes   
No   
If so, when will students be admitted? About two years - early stages of planning
  
5. Has the educational unit in nursing formally developed a cooperative arrangement with selected science departments through which nurses are candidates for the doctorate in a biological, physiological, or social science? Yes   
No

PLEASE RETURN ONE COPY BY NOVEMBER 15, 1976

6. How many more qualified candidates for a master's degree in nursing could have been enrolled this fall with the present faculty and facilities?

25 44-46

Do you maintain a waiting list of qualified candidates? Yes  No

(for office use only)

HEWR 47-

If Yes: How many names are on the current waiting list? \_\_\_\_\_

7. Which of the following receives more emphasis in your current nursing curriculum?

- the clinical content major with a functional minor
- the functional major with a clinical content minor
- other \_\_\_\_\_

48-

8. In the space provided below, please enter the number of students who received master's degrees in specific content and functional majors for the period August 1, 1975 through July 31, 1976. Also, enter the number of both full-time and part-time students who were enrolled in specific program majors during the fall term of 1976. (Each student should be counted only once.)
