All information requested on this questionnaire pertains to graduate students (excluding doctoral students) who are enrolled in, or who have completed, master's programs which lead to a degree granted through the educational unit in nursing. Post-baccalaureate students who are enrolled in individual courses or extension courses should not be included unless they are matriculated in a specific program.

In this questionnaire spaces are available for you to write in the names of your programs when our categories do not fit them. Please do not write in the name of a program if one of our categories would serve the purpose for tabulating the results. For classification of full- and part-time students, use the policy followed in your university.

As you know, the results of this questionnaire serve many purposes. Your cooperation in filling it out is greatly appreciated.

1. Please check if you do not wish to have statistical information from this questionnaire published in printed media which identifies your school by name. (For example, information for Professional Nurse Traineeship Program)
