UNIVERSITY OF MARYLAND
SCHOOL OF NURSING

Presents the 16th Annual Summer Institute in Nursing Informatics

July 19-22 2006

Advancing Clinical Practice Through Nursing Informatics

The Summer Institute in Nursing Informatics (SINI) is one of the best ways to stay current in the field of nursing informatics, and this year SINI will present vital information that is critical for *every nurse*. This is a dynamic, rapidly changing facet of healthcare- and is the premier and largest nursing informatics conference in the nation. You can't afford to miss it!

Also offered: Four pre-conferences, Exhibitor Evening, social and networking events

Webcast option available
