

19th Annual Summer Institute in Nursing Informatics

Informatics at the Point of Care: A Barrier or a Bridge?

Conference - **July 22-25, 2009**

Tutorials - **July 20-22, 2009**

Overview: Is informatics at the point of care a barrier or a bridge to safe, evidence-based, personalized care? Research reports and stories from the field indicate that it may be either. Learn from industry experts and leaders, participate in thought provoking discussions, and network with colleagues.

Tracks:

- High Touch, High Tech: IT and Human Relationships
- Usability, Ergonomics, Interfaces, and Nursing
- Show Me the Delta: Impact on Patient Outcomes, Professional Practice, and Organizational Processes
- Magnet: Informatics Support for the Journey
- Consumer Health Informatics
- Emerging Technologies for Health Information Systems

Call for Abstracts: The SINI Planning Committee is accepting high quality abstracts that address the conference theme, "Informatics at the Point of Care: A Barrier or a Bridge?" Present your own research or practice experiences in paper or poster format. Abstracts will be judged on quality and relevance to the conference theme and tracks. Authors of top-rated abstracts will receive monetary awards and special recognition. Due: March 15, 2009.

Sponsors and Exhibitors: SINI '09 presents a unique opportunity for organizations and vendors to capitalize on exclusive networking opportunities with nurses in a relaxed atmosphere.

Webcast: Participate in SINI '09 virtually via webcast. View live or archived plenary and concurrent sessions.

Featured Speakers:

- Keynote – James J. Cimino, MD, National Institutes of Health
- Paul Tang, MD, Palo Alto Medical Foundation
- Marcelline Harris, PhD, RN, Mayo Clinic
- Nancy Staggers, PhD, RN, University of Utah
- End Note - Suzanne Bakken, DNSc, RN, Columbia University

Tutorials

- **Leading Innovative IT Implementations to Enhance Safety and Efficiency** - A Special Course for Nurse Clinicians, Managers, and Executives
- **Health Care Information Technology Project Management** - A Guide for Nurse Informaticians
- **Weekday Immersion in Nursing Informatics (WINI)** - Preparation for the Certification Exam

Location: University of Maryland School of Nursing – Baltimore, Maryland

Continuing Education: Earn up to 15 nursing contact hours

The University of Maryland School of Nursing Office of Professional Development and Continuing Education is accredited as a provider of continuing nursing education by the American Nurse Credentialing Center's Commission on Accreditation.
