Date: March 26, 1996

Re: Gerontological Nurse Practitioner Programs

Dr. Ann Marie Spellbring and I attended the Maryland Board of Nursing meeting today to present the Gerontological Nurse Practitioner (GNP) programs. Both GNP programs - regular and post masters - were approved without contingencies. Dr. Spellbring did an excellent job of responding to a concern about paucity of clinical hours which had been raised by the Board's Joint Practice Committee. Both of us were relieved by the Board's unanimous vote to approve the GNP programs. A letter granting program approval will be issued by the Board.

cc: Dr. Anne Belcher
