## OFFICIAL NOTICE OF RECERTIFICATION

Congratulations! This is official notice of your recertification as a Pediatric Nurse Practitioner, which is effective from 12/01/2000 through 11/30/2005. Certification is valid for five years provided that your state registration for professional licensure is maintained. Your certification number is 0255252-06. Please use this number in any future communication with the American Nurses Credentialing Center. A new certificate and wallet card will be ordered and will be mailed to you in 6-8 weeks.

It is your professional responsibility to check the dates during which your certification is valid and to make sure you have the materials necessary to renew your certification before the expiration date.

We request that you notify us directly of any name or address changes. Our certification records are maintained separately from American Nurses Association records.

Again, congratulations on becoming recertified, thereby demonstrating your continued nursing practice and your commitment to building your professional knowledge base. If you need any assistance during your next 5-year certification, please call us at 1-800-284-2378. We look forward to hearing from you.

Sincerely,

Mary C. Smolenski, EdD, RN, CS
