Dr. Regina Cusson
Assistant Professor
Department of Maternal &
Child Health
Room 312
Whitehurst Hall

Regina
Dear Dr. Cusson:

Congratulations! Dr. Mech shared with me the good news that the Neonatal Nurse Practitioner track was unanimously approved by the Maryland Board of Nursing on April 26th. Needless to say, I was delighted to receive this information and commend you for all of your hard work.

With warm, best wishes for continued success.

Sincerely,

A handwritten signature in cursive script, appearing to read "Barbara R. Heller".
