Subject: 2013 NCSBN Program Enrollment Study- RN

Dear Colleague:

The National Council of State Boards of Nursing (NCSBN) is requesting information regarding the number of **RN** nursing students graduating in 2013 through 2016 from your program.

Your program's specific information, including name and contact information, are pre populated in your custom survey, which you can access by clicking [2013 NCSBN Program Enrollment Study- RN](#). Please make any corrections needed. After the program information, please fill in your enrollment counts for the upcoming years.

If there are any problems accessing the survey, please copy the following URL and paste it into your browser: <http://www.keysurvey.com/f/491837/7b339e7711dafbf0/>.

Thank you for your help and participation!

Best regards,
NCSBN Research Department

If you have any questions or you are not the person who should be receiving this survey, please send an email to: lgross@ncsbn.org.

This link is unique to you. Please do not forward it.

2013 NCSBN Program Enrollment Study- RN

This survey gathers information regarding the number of RN nursing students graduating in 2013 through 2016.

The National Council of State Boards of Nursing (NCSBN) is requesting information regarding the number of RN nursing students graduating in 2013 through 2016. Please do not include any returning RN students who are enrolled in a degree completion program. Your assistance is greatly appreciated to help boards of nursing track changes in nursing program enrollments over time. Thank You!

Please correct any of the following information:
