**With Pride  
We Present . . .**

Pictured above are Mrs. Arlie R. Mansberger, president of the Women's Auxiliary Board of University Hospital, Mrs. Joseph B. Workman, chairman of the annual benefit, and Mrs. Edward F. Cotter, past president, presenting a piece of equipment for patient care to Dr. George H. Yeager, director of University Hospital. The support of many Howard Countians helped to make this benefit a success.
