- 1st—Call to order by the President.
- 2nd—Synopsis of the proceedings of the College for the past year, by the Secretary.
- 3rd—Report of the Financial condition of the College by the Treasurer.
- 4th—Reports of the Standing Committees on Unofficial Formulas, Revision of the U. S. Pharmacopœia, Library, Annual Commencement, Lectures and Chemical Apparatus,
- 5th—Essays and Communications by several Members and the Professors of the College.
- 6th—Volunteer Essays and Communications.
- 7th—Discussions.
- 8th—Adjournment.

*In order to render the meeting of a more interesting character, members are requested to furnish volunteer papers and essays, and to introduce subjects for discussion in the order of proceeding.*

*Members and others who may have in their possession old and rare books on Pharmacy, Chemistry and other kindred Sciences; old Labels, Preparations, both officinal and proprietary, Apparatus, &c., are requested to place them on exhibition at the meeting. Such contributions should be delivered at the Hall on or before June 7th, so as to give the Committee time to arrange them properly.*

*Invitations to attend this meeting are cordially extended to members of the Society of the Alumni and all Pharmacists and Druggists throughout the City and State, and it is earnestly hoped by the Committee that the entire membership of the College will be present.*

*It is proposed to hold three sessions daily—Morning, Afternoon and Evening.*
