Verification form  
Evaluation

No individual associated with the planning of this program disclosed a conflict of interest that would bias the content provided in these sessions.

The University of Maryland School of Nursing is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

- Discuss developments within home based care that align with the national goals of enhancing population health, the patient experience, and reducing the cost of care.
- Describe innovations improving health outcomes through delivery of services at home and in the community.
- Explain how collaborative relationships among stakeholders are vital to future models of health care.
