

From the Health Sciences and Human Services Library...

In late September 1918, the Spanish Flu reached Baltimore. The Health Sciences and Human Services Library (HS/HSL) has engaged with the Smithsonian and delved into UMB's archival materials, developing exhibits and events not only commemorating the 1918 Epidemic but also pondering what pandemics mean for our connected world.

Please join us for:

Opening Reception

Outbreak: Epidemics in a Connected World

Thursday, September 13, 10:30 a.m.

In conjunction with the Smithsonian's *Outbreak* exhibit, the HS/HSL created a supplementary exhibit remembering the 1918 Flu Pandemic. Please join us for the grand opening reception for both exhibits on September 13 at 10:30 am in the Weise Gallery on the first floor of the Library. Students, faculty and staff are welcome to attend. Refreshments will be served.
