DEAN'S LECTURE SERIES

2017 – 2018
Determinants of Health

The Ann Ottney Cain Lecture in Psychiatric Mental Health Nursing

Dr. Ann Ottney Cain, professor emeritus, was a leader in psychiatric mental health nursing. Her tenure at UMSON spanned more than three decades. Dr. Cain also served as associate dean for graduate studies and research.

When she retired from the School of Nursing in 1994 the faculty, her colleagues, and students came together to create the Ann Ottney Cain Endowed Lecture in Psychiatric Nursing.

Sigma Theta Tau Pi Chapter

The mission of the Honor Society of Nursing, Sigma Theta Tau International, is advancing world health and celebrating nursing excellence in scholarship, leadership, and service.

Planning Committee 2017 - 2018

Jeffery Ash

Jacqueline Mitchell

Charon Burda

Deborah Prout

Patricia Franklin

Sonia Smith

Linda Hickman

Cynthia Sikorski

Objectives

- understand the differences between trauma-informed care and resiliency-informed care
- recognize secondary traumatic stress among front-line personnel and healthcare providers
- understand the purpose of integrating resiliency training into programs for high-risk populations
- apply basic self- and other-care resiliency techniques.

Disclosures

No conflict of interest was disclosed by any planning committee member or speaker associated with this event.
