Baltimore, MD 21201

Dear Dr. Civin:

I am delighted to inform you that you have been selected to receive the 2015 **ASH Mentor Award**, to be presented to you at the 57th Annual Meeting and Exposition of the American Society of Hematology.

The ASH Mentor Award was created to recognize individuals whose contributions have made a significant and positive impact on their mentees' careers and have thus advanced research and patient care in the field of hematology.

Your mentees hold you in very high regard and they credit you for both their success in becoming leaders in pediatric hematology/oncology and in their own personal lives. You are described as a dedicated and selfless role model who exemplifies what a hematologist should be. I must say I completely concur with your mentees description of you and I am very delighted that you will receive this most deserved honor during my presidency of ASH.

In recognition of the value ASH places on mentorship, a \$5,000 honorarium is associated with this award. In addition, the Society will provide you with a plaque, complimentary meeting registration, up to four nights' hotel accommodation and coach-class airfare.

A letter from ASH Headquarters regarding all the logistics of this award will be sent to you in the coming days. I look forward to seeing you in Orlando in December.

Kind regards,

David A. Williams, MD,
President
