

# 2022 U.S. News: Doctor of Nursing Practice Programs - Peer Assessment Survey

## Overall Peer Assessment

As part of its spring 2022 report on graduate and professional schools, U.S. News & World Report is conducting a survey of doctor of nurse practice (DNP) programs. Schools that offer a DNP degree are listed below by state. The list of nursing programs in this survey consists of all U.S. DNP programs accredited by the Commission on Collegiate Nursing Education, as well as DNP programs accredited by the Accreditation Commission for Education in Nursing. This survey is being sent to two respondents at each school – the nursing school dean and the dean of graduate studies. Your participation in this survey is greatly appreciated.

Please review the entire list of nursing schools before rating individual DNP programs. Identify the nursing schools you are familiar with, and then rate the overall academic quality of the DNP programs at each of these schools. Consider all factors that contribute to or give evidence of the excellence of the school's DNP program, for example, curriculum, record of scholarship, quality of faculty and graduates. Rate schools on a scale of outstanding (5) to marginal (1). If you are not familiar with a school's faculty, programs and graduates, please mark "No answer."
