THE UNIVERSITY OF MARYLAND

Control of the University of Maryland is vested in a Board of nine Regents, appointed by the Governor and confirmed by the Senate for terms of nine years each. The general administration of the University is vested in the President. The University Senate is an advisory body, composed of the President, the Assistant to the President, the Director of the Agricultural Experiment Station, the Director of the Extension Service, and the Deans. The University Senate acts upon all matters having relation to the University as a whole and coordinates work between the constituent groups. Each school has its own Faculty Council, composed of the Dean and members of its faculty of professorial rank. Each Faculty Council directs the policy of the group it represents.

BOARD OF REGENTS

SAMUEL M. SHOEMAKER, <i>Chairman</i>	1933-1942
Eccleston, Baltimore County, Md.	
JOHN M. DENNIS, <i>Treasurer</i>	1932-1941
Union Trust Company, Baltimore, Md.	
WILLIAM P. COLE, JR.....	1931-1940
Towson, Baltimore County, Md.	
JOHN E. RAINE.....	1930-1939
1200 St. Paul Street, Baltimore, Md.	
CHARLES C. GELDER.....	1929-1938
Princess Anne, Somerset County, Md.	
W. W. SKINNER, <i>Secretary</i>	1927-1936
Kensington, Montgomery County, Md.	
E. BROOKE LEE.....	1926-1935
Silver Spring, Montgomery County, Md.	
HENRY HOLZAPFEL, JR.....	1925-1934
Hagerstown, Washington County, Md.	
GEORGE M. SHRIVER.....	1928-1933
Old Court Road, Pikesville, Md.	

PRESIDENT OF THE UNIVERSITY

RAYMOND A. PEARSON, *M.S., D.Agr., LL.D.*,
College Park, Maryland.

COUNCIL OF DEANS

(Baltimore Division of the University Senate)

RAYMOND A. PEARSON, *M.S., D.Agr., LL.D.*, *President of the University.*
 T. O. HEATWOLE, *M.D., D.D.S., D.Sc.*, *Secretary of the Baltimore Schools.*
 J. M. H. ROWLAND, *M.D.*, *Dean of the School of Medicine.*
 ROGER HOWELL, *Ph.D., LL.B.*, *Dean of the School of Law.*
 J. BEN ROBINSON, *D.D.S., F.A.C.D.*, *Dean of the School of Dentistry.*
 ANDREW G. DUMEZ, *M.S., Ph.D.*, *Dean of the School of Pharmacy.*
 T. H. TALIAFERRO, *C.E., Ph.D.*, *Dean of the College of Arts and Sciences.*
 A. J. LOMAS, *M.D., C.M., B.P.H.*, *Superintendent of the Hospital.*

Organization and Departments

For more than a century the University of Maryland has played a conspicuous and forceful part in the professional education and training of a nation, particularly of Maryland and the Southern States.

The history of the present University of Maryland is the history of two institutions until they were merged in 1920. These were the old University of Maryland in Baltimore and the Maryland State College in College Park.

In 1920, by an Act of the State Legislature, the University of Maryland was merged with the Maryland State College, and the name University of Maryland was continued as the name of the combined institutions.

The University is co-educational in all its branches and has the following educational organization:

- The School of Medicine.
- The School of Law.
- The School of Dentistry.
- The School of Pharmacy.
- The School of Nursing.
- The College of Agriculture.
- The Agricultural Experiment Station.
- The Extension Service.
- The College of Arts and Sciences.
- The College of Education.
- The College of Engineering.
- The College of Home Economics.
- The Graduate School.
- The Summer School.
- The Department of Military Science and Tactics.
- The Department of Physical Education and Recreation.

The Schools of Medicine, Law, Dentistry, Pharmacy, and Nursing are located in Baltimore in the vicinity of Lombard and Greene Streets; the others in College Park.

Address all requests for bulletins, announcements and information regarding the Course in Pharmacy to B. Olive Cole, Secretary of the School of Pharmacy, University of Maryland, Baltimore, Md.

For information relative to entrance requirements and admission to the School of Pharmacy, address W. M. Hillegeist, Registrar, University of Maryland, Baltimore, Md.

FIRST SEMESTER

1933

- September 28, Thursday—*Registration for first- and second-year students.
 September 29, Friday—*Registration for all other students.
 October 2, Monday—Instruction begins with the first scheduled period.
 November 23, Thursday—Thanksgiving Day. Holiday.
 December 20, Wednesday—Christmas recess begins after the last scheduled period.

1934

- January 2, Tuesday—Instruction resumed with the first scheduled period.
 February 3, Saturday—First semester ends after the last scheduled period.

SECOND SEMESTER

- February 5, Monday—*Registration for first- and second-year students.
 February 6, Tuesday—*Registration for all other students.
 February 6, Tuesday—Instruction begins with the first scheduled period for first- and second-year students.
 February 7, Wednesday—Instruction begins with the first scheduled period for all other students.
 February 22, Thursday—Washington's Birthday. Holiday.
 March 29, Thursday—Easter recess begins after the last scheduled period.
 April 3, Tuesday—Instruction resumed with the first scheduled period.
 June 6, Wednesday—Commencement.

*The offices of the registrar and comptroller are open daily, not including Saturday, from 9:00 A.M. to 5:00 P.M., and on Saturday from 9:00 A.M. to 12:30 P.M. On Saturday, September 23, 1933, the offices will remain open until 5:00 P.M. Advance registration is encouraged.

SCHOOL OF PHARMACY

Officers Of Administration

- RAYMOND A. PEARSON, *M.S., D.Agr., LL.D., President of the University.*
 ANDREW G. DUMEZ, *Ph.G., M.S., Ph.D., Dean.*
 E. F. KELLY, *Phar.D., Advisory Dean.*
 B. OLIVE COLE, *Phar.D., LL.B., Secretary.*

FACULTY COUNCIL

- ANDREW G. DUMEZ, *Ph.D., Dean and Professor of Pharmacy.*
 E. F. KELLY, *Phar.D., Advisory Dean.*
 B. OLIVE COLE, *LL.B., Secretary and Associate Professor of Economics and Pharmaceutical Law.*
 GLENN L. JENKINS, *Ph.D., Professor of Pharmaceutical Chemistry.*
 CHARLES C. PLITT, *Sc.D., Professor of Botany and Pharmacognosy.*
 MARVIN R. THOMPSON, *B.S., Professor of Pharmacology.*
 H. E. WICH, *Phar.D., Associate Professor of Inorganic and Analytical Chemistry.*
 J. CARLTON WOLF, *Sc.D., Professor of Dispensing Pharmacy.*

FACULTY

EMERITUS PROFESSOR

- DAVID M. R. CULBRETH.....*Emeritus Professor of Botany and Materia Medica.*
 Maryland College of Pharmacy, Ph.G. (1879); College of Physicians and Surgeons, M.D. (1883).

PROFESSORS

- *L. B. BROUGHTON.....*Professor of Chemistry*
 University of Maryland, B.S. (1908), M.S. (1911); Ohio State University, Ph.D. (1926).
 ANDREW G. DUMEZ.....*Professor of Pharmacy*
 University of Wisconsin, Ph.G. (1904), B.S. (1907), M.S. (1910), Ph.D. (1917).
 *CHARLES G. EICHLIN.....*Professor of Physics*
 Lafayette College, A.B. (1913), M.S. (1921).
 †GLENN L. JENKINS.....*Professor of Pharmaceutical Chemistry*
 University of Wisconsin, Ph.G. (1921), B.S. (1922), M.S. (1923), Ph.D. (1926).
 C. J. PIERSON.....*Professor of Zoology*
 Stanford University, A.B. (1898); State Normal School, Peru, Nebr., B.Ped. (1906);
 University of California, M.A. (1916).
 CHARLES C. PLITT.....*Professor of Botany*
 Maryland College of Pharmacy, Ph.G. (1891); Maryland Academy of Science, Sc.D. (1921)
 (Honorary).
 MARVIN R. THOMPSON.....*Emerson Professor of Pharmacology*
 University of Minnesota, Ph.C. (1926); George Washington University, B.S. (1930).
 J. CARLTON WOLF.....*Professor of Dispensing Pharmacy*
 University of Maryland, Phar.D. (1905); American International Academy, Washington,
 D. C., B.S. (1921); Maryland Academy of Science, Sc.D. (1922), (Honorary).

ASSOCIATE PROFESSORS

- B. OLIVE COLE.....*Associate Professor of Economics and Pharmaceutical Law*
 University of Maryland, Phar.D. (1913); LL.B. (1923).
 HENRY E. WICH.....*Associate Professor of Inorganic and Analytical Chemistry*
 University of Maryland, Phar.D. (1909).

*Teachers detailed from the College of Arts and Sciences to the Baltimore Branch of the University.

†Representative on the Graduate Council.

ASSISTANT PROFESSORS

- MARVIN J. ANDREWS.....Assistant Professor of Pharmacy
University of Maryland, Ph.G. (1922), Ph.C. (1923), B.S. in Pharm. (1928), M.S. (1931).
- ARTHUR H. BRYAN.....Assistant Professor of Bacteriology
University of Pennsylvania, V.M.D. (1918); Washington State College, B.S. (1919).
- *A. W. RICHESON.....Assistant Professor of Mathematics
University of Richmond, B.S. (1918); Johns Hopkins University, A.M. (1925), Ph.D. (1928).
- *J. HARRY SCHAD.....Assistant Professor of Mathematics
Johns Hopkins University, B.S. (1917), M.A. (1921), D.Ed. (1931).
- *EDGAR B. STARKEY.....Assistant Professor of Organic Chemistry
University of Maryland, B.S. (1921), M.S. (1922), Ph.D. (1926).
- *GUY P. THOMPSON.....Assistant Professor of Zoology
West Virginia University, A.B. (1923), A.M. (1929).
- *E. G. VANDEN BOSCHE.....Assistant Professor of Inorganic and Physical Chemistry
Lebanon Valley College, A.B. (1922); University of Maryland, M.S. (1924), Ph.D. (1927).

INSTRUCTORS

- JOHN CONRAD BAUER.....Instructor in Pharmaceutical Chemistry
University of Maryland, Ph.G. (1926), B.S. in Pharm. (1928), M.S. (1930).
- *GARDNER P. H. FOLEY.....Instructor in English
Clark University, A.B. (1923), A.M. (1926).
- SAMUEL W. GOLDSTEIN.....Instructor in Chemistry
University of Maryland, Ph.G. (1926), Ph.C. (1927), B.S. in Pharm. (1929), M.S. (1931).
- *ARTHUR C. PARSONS.....Instructor in Modern Languages
University of Maryland, A.B. (1926), A.M. (1928).
- *M. A. PITTMAN.....Instructor in Physics
The Citadel, B.S. (1925); University of South Carolina, M.S. (1929).
- *J. THOMAS PYLES.....Instructor in English
University of Maryland, B.A. (1926), M.A. (1927).
- *H. HEWELL ROSEBERRY.....Instructor in Physics
Davidson College, B.S. (1926), M.A. (1928); University of Chicago, M.S. (1931).
- FRANK J. SLAMA.....Instructor in Botany
University of Maryland, Ph.G. (1924), Ph.C. (1925), B.S. in Pharm. (1928), M.S. (1930).

ASSISTANTS

- WILLIAM B. BAKER.....Assistant in Pharmacy
University of Maryland, Ph.G. (1930), B.S. (1932).
- *RACHEL LOUISE CARSON.....Assistant in Zoology
Pennsylvania College for Women, A.B. (1929)
- GUSTAV EDWARD C WALINA.....Assistant in Pharmaceutical Chemistry
University of Maryland, Ph.G. (1929), B.S. in Pharm. (1931).
- AMELIA C. DE DOMINICIS.....Assistant in Botany
University of Maryland, Ph.G. (1930), B.S. (1931), M.S. (1932).
- †NOEL E. FOSS.....Assistant in Pharmacy
South Dakota State College, Ph.C. (1929), B.S. in Pharm. (1929), University of Maryland, M.S. (1932).
- WILLIAM H. HUNT.....Assistant in Bacteriology
University of Maryland, Ph.G. (1931), B.S. (1932).
- CASIMER T. ICHNIOWSKI.....Assistant in Pharmacology
University of Maryland, Ph.G. (1929), B.S. in Pharm. (1930), M.S. (1932).
- MARION LEE JACOBS.....Assistant in Botany
University of North Carolina, Ph.C. (1921), University of Nebraska, B.S. (1924), M.S. (1925).
- *F. H. KALER.....Assistant in English
University of Illinois, A.B. (Feb. 1931), A.M. (June, 1931).

*Teachers detailed from the College of Arts and Sciences to the Baltimore Branch of the University.

†H. A. B. Dunning Research Fellow.

- L. LAVAN MANCHEY.....Assistant in Chemistry
University of Maryland, Ph.G. (1928), B.S. in Pharm. (1929), M.S. (1931).
- *WILLIAM K. MORRILL.....Assistant in Mathematics
Johns Hopkins University, A.B. (1925), M.A. (1927), Ph.D. (1929).
- *JOSEPH F. O'BRIEN.....Assistant in Zoology
Boston University, S.B. (1925).
- *A. J. PRAHL.....Assistant in Modern Languages
Washington University, St. Louis, Mo., A.M. (1928).
- WILLIAM A. PURDUM.....Assistant in Pharmacy
University of Maryland, Ph.G. (1930), B.S. (1932).
- BERTRAN S. ROBERTS.....Assistant in Pharmacology
University of Maryland, Ph.G. (1929), B.S. in Pharm. (1931).
- DOROTHY E. SCHMALZER.....Assistant in Chemistry
University of Maryland, Ph.G. (1931), B.S. (1932).
- EMANUEL V. SHULMAN.....Assistant in Botany
University of Maryland, Ph.G. (1925), Ph.C. (1928), B.S. in Pharm. (1929), M.S. (1931).
- THOMAS GORSUCH WRIGHT.....Assistant in Pharmacy
University of Maryland, Ph.G. (1930), B.S. in Pharm. (1931).
- MAX MORTON ZERVITZ.....Assistant in Chemistry
University of Maryland, Ph.G. (1929), B.S. in Pharm. (1931) M.S. (1932).

KATHLEEN HAMILTON, *Librarian.*
ANN BEACH LEMEN, *Cataloger.*
CLARA A. NOWAKOWSKA, *Senior Stenographer.*

*Teachers detailed from the College of Arts and Sciences to the Baltimore Branch of the University.

SCHOOL OF PHARMACY

HISTORY

The School of Pharmacy of the University of Maryland, formerly the Maryland College of Pharmacy, was organized on July 20, 1840, by a forward-looking group of apothecaries and physicians then practicing in the State of Maryland, who recognized the necessity for more thoroughly educated and better-trained pharmacists if this rapidly growing phase of medical service was to be properly developed. It was incorporated on January 27, 1841, and the first course of lectures was begun in November of the same year. The College continued to operate as an independent institution until 1904, when it amalgamated with the group of professional schools in Baltimore then known as the University of Maryland. It became a department of the State University when the old University of Maryland was merged with the Maryland State College in 1920. With but one short intermission just prior to 1865, it has continuously exercised its functions as a teaching institution.

AIMS AND PURPOSES

The School of Pharmacy provides systematic instruction in pharmacy, the collateral sciences, and such other subjects as are deemed to be essential in the education of a pharmacist. Its chief aim is to prepare its matriculants for the intelligent practice of dispensing pharmacy, but it also offers the facilities and instruction necessary for the attainment of proficiency in the practice of the other branches of the profession and in pharmaceutical research.

BUILDING AND EQUIPMENT

The School occupies the building erected for it by the State at the northwest corner of Lombard and Greene Streets, in Baltimore. This is a commodious six-story laboratory and classroom building especially designed to house the work of pharmacy. It is completely equipped throughout, and offers every facility for the undergraduate student to carry on the work necessary to acquire a thorough knowledge of pharmacy, and to the graduate student for the pursuit of research in the various fields of pharmacy, and the collateral sciences.

Four lecture rooms seating 116 to 145 students, and four recitation rooms with a seating capacity of 35 to 40 students are available in this building. These are equipped with modern tables for lecture demonstrations in the sciences, with lanterns and screens and the other devices commonly used in lecture and recitation work.

The building provides laboratory space for drug milling and the various courses in pharmacy; for the several courses in chemistry; for instruction in botany and pharmacognosy; for work in the biological sciences, zoology, bacteriology, physiology, and pharmacology; for the pursuit of research in any of these departments.

The building also provides library facilities. It contains a well-lighted reading-room which will accommodate 100 students, and stack-room space to accommodate 12,000 volumes. At the present time the library contains more than 5,000 books and periodicals pertaining to pharmacy and the collateral sciences. Additional library facilities are available at the Medical School Library, which is only a few doors away, the Enoch Pratt Free Library, the Peabody Library, and the libraries of the various departments of the Johns Hopkins University.

RECOGNITION

The school holds membership in the American Association of Colleges of Pharmacy. The object of this Association is to promote the interests

of pharmaceutical education, and all institutions holding membership must maintain certain minimum requirements for entrance and graduation. Through the influence of this Association, uniform and higher standards of education have been adopted from time to time, and the fact that several states, by law or by Board ruling, recognize the standards of the Association is evidence of its influence.

The school is registered in the New York Department of Education, and its diploma is recognized in all states.

FELLOWSHIPS, SCHOLARSHIPS, AND LOAN FUNDS

THE H. A. B. DUNNING RESEARCH FELLOWSHIP

Dr. H. A. B. Dunning, the well-known retail and manufacturing pharmacist of Baltimore, who was for a number of years associate professor of chemistry in the School, and whose interest in his Alma Mater has always been manifested, has provided for the payment of \$1,000.00 annually for a period of five years to establish a research fellowship in pharmaceutical chemistry. At the end of the period an endowment will be made by Dr. Dunning to perpetuate the fellowship. This fellowship is awarded annually to a student in pharmacy who has completed four years of college work, and who gives evidence of a special aptitude for investigational work in pharmaceutical chemistry.

THE CHARLES LANDON HENRY MEMORIAL SCHOLARSHIP

In memory of her husband, Charles Landon Henry, who was for many years a loyal member of the Maryland Pharmaceutical Association, who was active in pharmaceutical affairs in Maryland and neighboring states, and who was especially interested in the welfare and progress of worthy young people, Mrs. Nora Howard Henry endowed a scholarship to be awarded annually by the Faculty to a student who has completed the third year of the course and who has shown superior proficiency in his or her work in practical and commercial pharmacy. The stipend is approximately \$100.

RESEARCH GRANT OF THE ALUMNI ASSOCIATION OF THE SCHOOL OF PHARMACY

The Alumni Association of the School of Pharmacy has agreed to deposit each year the sum of \$100.00 with the School of Pharmacy as a research grant, to be placed to the credit of a student selected by the Committee on the Research Grant of the Alumni Association to enable him to engage in pharmaceutical research in the School of Pharmacy during the next scholastic year. The research conducted shall be of general pharmaceutical interest, and shall be submitted for publication in one of the pharmaceutical journals when completed and accepted.

THE FAIRCHILD SCHOLARSHIP (NATIONAL)

Mr. Samuel W. Fairchild, of New York City, offers a scholarship annually, amounting to \$500.00 in cash, to pharmacy students of the United States. The scholarship is awarded on the basis of a competitive examination to candidates who are high-school graduates and who have successfully completed at least three years' work in a school or college of pharmacy or department of pharmacy of a university, member of the American Association of Colleges of Pharmacy. Each school, college, or department of pharmacy is limited to two candidates. The examination will be held at the School of Pharmacy on the second Monday in June.

THE CHARLES CASPARI, JR., MEMORIAL LOAN FUND

In memory of Prof. Charles Caspari, Jr., a former dean of the school of Pharmacy, and in keeping with the modesty and lack of ostentation, and eagerness for service and helpfulness to others which were striking characteristics of Professor Caspari, a number of friends and alumni have made contributions to establish a fund in his name. Loans are made from this fund to members of the third-year class upon the recommendation of the Dean.

L. MANUEL HENDLER LOAN FUND

On March 7, 1932, there was established by Mr. L. Manuel Hendler of Baltimore, a fund to be loaned to needy students. This fund is available to junior and senior students only, and loans therefrom are made upon the recommendation of the Dean.

HONORS AND AWARDS**SCHOOL AWARDS**

General.—A gold medal will be awarded at each annual commencement to the candidate for the diploma of Graduate in Pharmacy, whose deportment is creditable, and who has attained the highest general average, not below 90 per cent.

Certificates of Honor will be awarded to the three students having the highest general average, next to the winner of the general prize, provided this does not fall below 90 per cent.

Second Year.—Honorable Mention will be made of the first three students having the highest general average, provided this does not fall below 90 per cent.

THE WILLIAM SIMON MEMORIAL PRIZE

In honor of the late Dr. William Simon, for thirty years professor of chemistry in the School of Pharmacy, a gold medal will be awarded by the faculty to a candidate for the diploma of Graduate in Pharmacy for superior proficiency in the field of practical and analytical chemistry. The recipient must stand high in all subjects. In recommending a student for the prize, the professor of chemistry will be guided in his judgment of the student's ability as much by observation and personal contact as by grades made in examinations.

THE SIMON SOLOMON PRIZE

The sum of \$50.00 is given each year by Mr. Simon Solomon (Class of 1918) to be awarded by the Faculty of the School of Pharmacy to the student in the graduating class who has done the most satisfactory work in pharmacy in the second and third years of the course.

THE E. F. KELLY A. Ph. A. MEMBERSHIP PRIZE

Membership in the American Pharmaceutical Association for one year is offered annually as a prize by Dr. E. F. Kelly to a student, to be selected by the Faculty, who has completed the first semester of the second year of the course and has attained high standing in both theoretical and practical pharmacy.

THE BALTIMORE BRANCH A. Ph. A. MEMBERSHIP PRIZE

The Baltimore Branch of the American Pharmaceutical Association has endowed a membership in the American Pharmaceutical Association to be awarded annually to a student selected by the Faculty as having attained a high standing in his or her classes.

STUDENT ORGANIZATIONS

STUDENT COUNCIL

The Student Council is an organization of students established for the purpose of supervising in a general way the social and extra-curricular activities of the student body, to assist in maintaining a proper decorum among students when in attendance upon instruction, and to foster and encourage a class spirit which will reflect honor on the splendid traditions of the School. The Council consists of 12 active members, three elected by each of the four classes, four *ex officio* members who are the presidents of the respective classes, and a faculty adviser.

RHO CHI HONORARY PHARMACEUTICAL SOCIETY

Omicron chapter of the Rho Chi, national honorary pharmaceutical society, was established at the University of Maryland in 1930. Charters for chapters of this organization are granted only to groups in schools or colleges that are members in good standing of the American Association of Colleges of Pharmacy. Eligibility for membership in the Society is based on high attainment in scholarship, character, personality, and leadership. All candidates selected for membership must have completed 75 credit hours of college work, and they must be approved by the Dean of the School of Pharmacy.

ALUMNI ORGANIZATIONS

ALUMNI ASSOCIATION OF THE SCHOOL OF PHARMACY OF THE
UNIVERSITY OF MARYLAND

A meeting of the graduates of the School of Pharmacy of the University of Maryland, then the Maryland College of Pharmacy, was held on May 15, 1871. At this meeting there was organized the Society of the Alumni of the Maryland College of Pharmacy. This Society continued its separate existence as such or as the Alumni Association of the Maryland College of Pharmacy until 1907, when the General Alumni Association of the University of Maryland was formed. Following the organization of the General Alumni Association, the Society remained dormant until June 4, 1926, when it was reorganized as the Alumni Association of the School of Pharmacy of the University of Maryland. The active membership of the Association is now approximately 600 and is growing steadily. The following are its present officers:

EXECUTIVE COMMITTEE

Honorary President—CONRAD L. WICH (*Ex-Officio*).

President of the Association—LEO C. RETTALIATA,
2200 North Charles Street, Baltimore, Md.

First Vice-President—MEDFORD C. WOOD,
2900 Grindon Avenue, Baltimore, Md.

Second Vice-President—A. N. HEWING,
701 North Lakewood Avenue, Baltimore, Md.

Secretary—B. OLIVE COLE,
Lombard and Greene Streets, Baltimore, Md.

Treasurer—FRANK L. BLACK,
2839 West North Avenue, Baltimore, Md.

Members at Large—HYMAN DAVIDOV
CHARLES E. PFEIFER
SIMON SOLOMON
JOHN F. WANNENWETCH } Baltimore, Md.

COMMITTEE ON SCHOOL OF PHARMACY OF THE MARYLAND
PHARMACEUTICAL ASSOCIATION

When the School of Pharmacy became a part of the State University in 1920, the Maryland Pharmaceutical Association, in order to assist in the advancement of pharmaceutical education, appointed a standing committee, known as the Committee on School of Pharmacy. This Committee is composed of seven members, whose duty it is to represent the Association in all matters pertaining to the School of Pharmacy and pharmaceutical education. The following are the present members of this committee:

R. E. L. WILLIAMSON, <i>Chairman</i>	}	Baltimore, Md.
A. R. L. DOHME		
H. A. B. DUNNING		
CHARLES L. MEYER		
JOHN C. MUTH		
L. M. KANTNER		
GEORGE A. BUNTING		

COURSES AND DEGREES

A three-year course leading to the diploma of Graduate in Pharmacy (Ph.G.) has been offered since the session of 1925-1926. The work of the third year of this course will again be given in 1933-1934. At the end of this period, the course will be discontinued and the diploma will no longer be awarded.

Since 1925-1926, the School has also offered a fourth year of work to graduates of the three-year course, upon the satisfactory completion of which the degree of Bachelor of Science in Pharmacy (B.S. in Phar.) has been conferred. The curriculum which appears on page 20 was adopted in 1932-1933. A minimum of four years of work is required to complete the courses which comprise it, and the degree conferred will be Bachelor of Science in Pharmacy (B.S. in Pharm.).

The degree of Master of Science (M.S.) is conferred upon graduates of the four-year course who have completed at least one year of graduate work and have presented a satisfactory thesis. Candidates for this degree may take all of the work in the School of Pharmacy. Candidates for the degree of Doctor of Philosophy (Ph.D.) may also take the major portion of the required work in the School of Pharmacy. All candidates for these degrees, however, must register in the Graduate School of the University and meet the requirements of that School. For detailed information concerning registration, requirements for admission, etc., see the catalogue of the Graduate School.

COMBINED CURRICULUM IN PHARMACY AND MEDICINE

A combined curriculum has been arranged with the Medical School of the University of Maryland by which students may obtain the degrees of Bachelor of Science in Pharmacy and Doctor of Medicine in seven years. Students who successfully complete the first three years of the course in pharmacy, and in addition four semester hours in zoology, are eligible for admission to the Medical School of the University of Maryland, and upon the successful completion of the first two years of the medical course will be awarded the degree of Bachelor of Science in Pharmacy by the School of Pharmacy.

This privilege will be open to students who maintain a uniformly good scholastic record during the first two years of the course in pharmacy, and those who wish to avail themselves of it must so advise the School of Pharmacy before entering upon the work of the third year in order that provision may be made for the required instruction in zoology. An extra charge will be made for this instruction.

REQUIREMENTS FOR ADMISSION

The requirement for admission is graduation from an accredited high or preparatory school which requires for graduation in a four-year course not less than 15 units of high-school work grouped as shown below. In case an applicant is not a graduate of a high or preparatory school, as defined above, the full equivalent of such education in each individual case must be established and attested by the highest public educational officer of the State.

UNITS FOR ENTRANCE: Required (7), elective (8), total (15).

REQUIRED: English, (I, II, III, IV), 3 units; algebra to quadratics, 1 unit; plane geometry, 1 unit; history, 1 unit; science, 1 unit. Total 7 units.

ELECTIVE: Agriculture, astronomy, biology, botany, chemistry, civics, drawing, economics, general science, geology, history, home economics, vocational subjects, languages, mathematics, physical geography, physics, zoology, or any other subject offered in a standard high or preparatory school for which graduation credit is granted toward college or university entrance. Eight (8) units must be submitted from this group.

An application blank for admission may be had by applying to the office of the Dean. The form must be filled out in full with names of *all* schools attended, signed by the applicant and returned to the Registrar's office with two dollars investigation fee. Do not send diplomas or certificates. The Registrar of the University of Maryland will secure all necessary credentials after the application has been received. Do not make application unless reasonably certain that preparation is sufficient, or unless intending to complete preparation if insufficient. Ample time should be allowed for securing credentials and investigating schools. If the applicant qualifies for the study of the profession, a certificate will be issued.

REQUIREMENTS FOR ADVANCED STANDING

Students who present in addition to high-school requirements credit for subjects taken in schools of pharmacy holding membership in the American Association of Colleges of Pharmacy will be given credit for corresponding courses of equal length and content scheduled for the first two years of the three-year course or the first three years of the four-year course, provided they present a proper certificate of honorable dismissal.

Credit for general educational subjects will be given to students presenting evidence of having completed work equal in value to that outlined in this catalogue.

Transferring students in either case must satisfy the preliminary educational requirements outlined under "Requirements for Admission."

SPECIAL STUDENTS

An applicant who cannot furnish sufficient entrance credit and who does not care to make up the units in which he is deficient may enter as a special student and pursue all the branches of the curriculum, but will not be eligible for graduation and will not receive a diploma. The School of Pharmacy reserves the right to decide whether or not the preliminary training of the applicant is sufficient.

REGISTRATION WITH THE MARYLAND BOARD OF PHARMACY

The Maryland Pharmacy Law, as amended in 1931, requires all students entering upon the study of Pharmacy in the State to file application with the Maryland Board of Pharmacy. The law reads as follows:

"Any person enrolling as a student in pharmacy in any school or college of pharmacy in this State shall, not later than thirty-days after enrolling, file with the secretary of the Maryland Board of Pharmacy an application for registration as a student of pharmacy in which said application he shall be required to furnish such information as the Board may

deem appropriate, and simultaneously with the filing of said application, shall pay the Board a fee of one dollar; all such students of pharmacy shall, at the beginning of any subsequent school or college year, submit to the said Board a sworn statement of any and all actual drug store experience acquired during the preceding vacation months."

MATRICULATION AND REGISTRATION

Each entering student must procure from the office of the School of Pharmacy a matriculation card before he will be permitted to register. The last day for matriculation is October 7, 1933.

All students must register at the office of the Registrar. Under no condition will a student be permitted to enter classes who has not completed registration. The last days for registration without the payment of the penalty fee are as follows: First Semester, September 28, 1933, for first- and second-year students, September 29, 1933, for all other students; Second Semester, February 5, 1934, for first- and second-year students, February 6, 1934, for all other students. The last days for registration with the payment of the penalty fee are: First Semester, October 7, 1933; Second Semester, February 10, 1934.

FEES

Application fee (paid when filing application for admission)-----	\$2.00
Matriculation fee (paid when accepted for admission)-----	10.00
Tuition fee for residents of Maryland (yearly)-----	200.00
Tuition fee for non-residents (yearly)-----	250.00
Laboratory fee (yearly)-----	30.00
Locker fee and breakage deposit (yearly)-----	10.00
Graduation fee (paid second semester of Senior Year)-----	15.00
Penalty fee for late registration-----	5.00
Special examination fee-----	2.00

Students who are not following the regular schedule, but who are taking courses equivalent to one-half or more of a year's work, will be charged the full yearly fees. Students taking less than this amount of work will be charged on a subject basis.

In addition to regular fees, there are other expenses, such as those for the purchase of books, weights, dissecting instruments and incidentals, amounting to about \$30 per year. Each student is required to pay annually \$8.00 (senior students \$10.00) to the "Students' Activity Fund" which is used to defray the cost of extra-curricular activities.

Students who are minors are considered to be resident students if, at the time of their registration, their parents† have been residents of this State for at least one year.

Adult students are considered to be resident students if, at the time of their registration, they have been residents of this State for at least one year; provided such residence has not been acquired while attending any school or college in Maryland.

The status of the residence of a student is determined at the time of his first registration in the University, and may not thereafter be changed by him unless, in the case of a minor, his parents† move to and become legal residents of this State by maintaining such residence for at least one full calendar year. However, the right of the student (minor) to change from a non-resident to a resident status must be established by him prior to registration for a semester in any academic year.

† The term "parents" includes persons who, by reason of death or other unusual circumstances, have been legally constituted the guardians of or stand *in loco parentis* to such minor students.

PAYMENTS

The matriculation fee is payable at the time the applicant is accepted for admission. Registration of a student in any School or College of the University is regarded as registration in the University of Maryland, but when such student transfers to a professional school of the University or from one professional school to another, he will be required to pay the matriculation fee charged by that school.

One-half of the yearly tuition fee and the full amount of all other fees shall be paid to the Comptroller on September 28, 1933, by first- and second-year students; on September 29, 1933, by all other students. The remaining half of the yearly tuition fee and the graduation fee (in the senior year only) shall be paid on February 5, 1934, by first- and second-year students; on February 6, 1934, by all other students.

A fee of Two Dollars (\$2.00) will be charged students for each examination given at other than scheduled periods. A receipt for the payment of this fee must be presented to the teacher before taking the examination.

A student who neglects or fails to register prior to or within the day or days specified will be charged a penalty fee of \$5.00.

No fees will be returned to any student who has been in attendance for more than thirty (30) days after the opening of school. In case a student discontinues his course any fees paid will be credited to a subsequent course, but they will not be transferred.

The above requirements will be rigidly adhered to. Failure to meet any of the above conditions will automatically disbar a student from attendance upon classes and all other privileges of the University.

ATTENDANCE REQUIREMENTS

In order to receive credit for a full session, students must have entered and be in attendance on the day the regular session opens and remain until the close of the session, the dates for which are given in the calendar of this catalogue.

Students may register and enter not later than six days after the beginning of the session, but such delinquency will be charged as absence from class. In cases of serious personal illness, as attested by a physician, students may register not later than the twentieth day following the announced opening of the regular session.

Regular attendance is demanded of all students. No student will be admitted to the final examination in any subject in which he or she has not attended at least 85 per cent. of the classes therein. Further absence will not be excused.

A tardiness of one-half or more of a lecture or laboratory period will be counted as an absence. Two tardinesses of less than one-half of a lecture or laboratory period will be counted as an absence.

EXAMINATIONS

Written and oral tests are given at different intervals throughout the session and the ratings received are recorded. Final examinations are held at the close of each semester, and the standing of the student in each subject is determined by the average of all the ratings received therein.

Examinations for the completion of courses in which the student received a grade of "Incomplete" and for the removal of conditions will be held only on the dates scheduled in this catalogue and on the dates announced by the Dean. Students who are conditioned in the first semester must remove the conditions during that college year, but will not be permitted to take an examination within thirty days from the date on which the conditional rating was received. Conditions received in the second semester must be removed before or during the week preceding the opening of the subsequent college year. (See calendar in catalogue.)

SCALE OF GRADING

The scholastic standing of the student is recorded in terms of the following symbols:

A, Excellent (93-100); B, Good (87-92); C, Fair (80-86); D, Passed (75-79); E, Conditioned (60-74); F, Failed (below 60); I, Incomplete.

Grade E, Conditioned, indicates a record below passing, but which may be raised to a passing grade without repeating the course, by passing a satisfactory further examination on the subject-matter of the course, or by performing other tasks required by the instructor. Grade F, Failed, obtained at the close of a course indicates a record so poor that the student is required to repeat the work in class.

PROMOTION

A student to be promoted to the second year of the three-year course or the second and third years of the four-year course, must pass courses amounting to at least 75 per cent. of the total scheduled work of these years.

A student to be promoted to the third year of the three-year course or the fourth year of the four-year course must satisfactorily complete all of the work of the respective curricula for the preceding years.

DEPARTMENT

The profession of pharmacy demands, and the School of Pharmacy requires evidence of good moral character of its students. The conduct of a student in relation to his work and fellow students will be used by the faculty in determining the fitness of a student to enter into the confidence of the community as a professional man. Integrity, truthfulness, sobriety, temperate habits, respect for authority and associates, and honesty in the transaction of business affairs as a student will be considered as evidence of good moral character necessary to the granting of a degree.

Any offense against good conduct, in the ordinary meaning of the term, will render a student liable to disciplinary action, whether or not a formal rule against the offense has been published.

REQUIREMENTS FOR GRADUATION

Candidates for the diploma of Graduate in Pharmacy (Ph.G.) must be of good moral character and must have completed all of the work outlined in the three-year curriculum on page 18, or its equivalent. This diploma will not be awarded after October 1, 1934.

Candidates for the degree of Bachelor of Science in Pharmacy (B.S. in Pharm.) must be of good moral character and must have completed all of the work of the four-year curriculum outlined on page 20, or its equivalent.

In each instance, the work of the last year must be taken in this School. The requirements for higher degrees are stated in the "Catalogue of the Graduate School."

PRACTICAL-EXPERIENCE REQUIREMENT OF THE MARYLAND PHARMACY LAW

The Pharmacy Law of Maryland requires four years of practical experience for registration as a pharmacist. The time spent in a recognized college is credited towards the practical experience required to the extent of not more than three years.

In view of this requirement, prospective students are advised to secure employment, if possible, before entering the college.

EMPLOYMENT

Students should come prepared, if possible, to sustain themselves financially during the entire period of attendance, as all of the time available may be profitably spent in the completion of the scheduled work and in the preparation of studies. Those who cannot meet this condition in full need not be dismayed, however, as Baltimore offers a number of opportunities to secure suitable employment. A register of positions available in drug stores is kept in the office of the Secretary of the School, where it may be consulted upon request.

THREE-YEAR CURRICULUM OUTLINE

TITLE AND NUMBER OF COURSE.	FIRST SEMESTER				SECOND SEMESTER

† Average.

DESCRIPTION OF COURSES*

BACTERIOLOGY

1f. General Bacteriology—Classification and general characteristics of micro-organisms and the common protozoa, including the study of culture media and methods of isolation and cultivation.

Third year, first semester, two lectures or recitations, two laboratory periods. Bryan, Slama, Shulman, and Hunt.

2s. Serology and Immunology—A study of the principles of immunity and of the preparation of serums and vaccines. Prerequisite—Bacteriology 1f.

Third year, second semester, two lectures or recitations. Bryan and Hunt.

3s. Hygiene and Sanitation—Practical applications of bacteriology as applied to public-health problems, with special reference to prophylaxis and control of infectious diseases. The last two months will be devoted entirely to practical work in first aid.

Fourth year, second semester, two lectures or demonstrations. Bryan and Slama.

BOTANY

1s. Structural Botany—A course in structural botany (organography), including classification and physiology of plant structures.

First year, second semester, three lectures or recitations, one laboratory period. Plitt, Slama, Shulman and De Dominicis.

2f. General Pharmacognosy—A study of the physical characteristics of drugs, with special reference to the identification and purity of vegetable drugs. Prerequisite—Botany 1s.

Second year, first semester, two lectures or recitations, two laboratory periods. Plitt, Slama, Shulman, De Dominicis, and Jacobs.

3s. Vegetable Histology—A microscopic study of the structure of medicinal plants, including powdered drugs. Prerequisite—Pharmacognosy 1y.

Second year, second semester, two laboratory periods. Plitt, Slama, and Shulman.

101y. Taxonomy of the Higher Plants—A study of the kinds of seed plants and ferns, their classifications, and field work on local flora. Emphasis will be placed on official drug plants. Instruction will be given in the preparation of an herbarium. Elective for students who contemplate taking advanced work in pharmacognosy.

One lecture, one laboratory period. Plitt.

102y. Advanced Course in Vegetable Histology—Section cutting, embedding of material in celloidin, and in paraffin, leading to research.

Throughout the year, two lectures and two laboratory periods. Plitt.

201y. Advanced Course in Study of Vegetable Powders—A study of vegetable powders both structurally and microchemically. Prerequisite—201y.

Throughout the year, two lectures and two laboratory periods. Plitt.

*Courses for undergraduates are designated by numbers 1-99; courses for advanced undergraduates and graduates by numbers 100-199, and courses for graduates, by numbers 200-299.

The letter following the numbers of a course indicates the semester in which it is offered; thus, course 1f is offered in the first semester; 1s, in the second semester. The letter "y" indicates a full-year course.

The semester hour, which is the unit of credit, is the equivalent of a subject pursued one period a week for one semester. A laboratory period is equivalent to one lecture or recitation period.

202y. **Advanced Taxonomy of Vascular Plants**—Credit dependent on work done. Prerequisite—Pharmacognosy 101y. *Plitt.*

203y. **Research in Pharmacognosy**—Credit according to amount and quality of work performed. Open to graduate students only. *Plitt.*

CHEMISTRY (BASAL COURSES)

1y. **General Inorganic Chemistry and Qualitative Analysis**—The first semester is devoted to a study of the chemistry of the non-metals and the fundamental concepts of inorganic chemistry. During the second semester the metallic elements are studied from the standpoint of systematic qualitative analysis.

Throughout the first year, three lectures or recitations, two laboratory periods. Vanden Bosche, Wich, Goldstein, Manchey, and Zervitz.

2y. **Organic Chemistry**—General organic chemistry, including aliphatic and aromatic derivatives. Compounds of special interest to pharmacy are also prepared. Prerequisite—Chemistry 1y.

Throughout the second year, three lectures or recitations, two laboratory periods. Starkey, Goldstein, Manchey, and Zervitz.

CHEMISTRY (PHARMACEUTICAL)

4s. **Quantitative Analysis**—A study of quantitative methods. Prerequisites—Chemistry 1y and 2y.

Third year, second semester, two lectures or recitations and two laboratory periods. Jenkins, Wich, Cwalina, Zervitz and Schmalzer.

5f. **Pharmaceutical Assaying and Testing**—A study of the quantitative tests for the standardization of drugs and medicines, with special reference to the methods of the United States Pharmacopoeia and National Formulary. Prerequisites—Chemistry 2y and Pharmacy 3y.

Third year, first semester, two lectures or recitations, three laboratory periods. Jenkins, Bauer, and Cwalina.

101f. **Chemistry of Medicinal Products**—A study of the more important medicinal plant products and of synthetic compounds. The laboratory work will include the isolation and identification of plant principles and the preparation of the simpler organic compounds used in medicine. Prerequisites—Chemistry 1y and 2y.

Third year, first semester, three lectures or recitations, two laboratory periods. Jenkins, Bauer, and Cwalina.

101s. **Food and Drug Analysis**—A study of the methods employed by public health laboratories to control food and drug products.

Fourth year, second semester, two lectures or recitations, and two laboratory periods. Jenkins.

201y. **Advanced Survey of Pharmaceutical Chemistry**—A study of practical methods of isolation, separation, identification, and analysis of the complex active principles of crude drugs.

Throughout the year, two lectures and two laboratory periods. Given every other year. Jenkins.

202y. **Advanced Pharmaceutical Syntheses**—A study of the application of synthetic reaction methods to the synthesis of complex medicinal substances, and a study of the properties and structure of the products obtained by physical, chemical, and physiological methods.

Throughout the year, two lectures and two laboratory periods. Given every other year. Jenkins.

203y. **Pharmaceutical Chemistry Seminar**—Reports of progress and discussion of the problems encountered in research and the presentation of papers which survey the recent developments of pharmaceutical chemistry reported in the current literature.

Two to four credits. Jenkins.

204y. **History of Pharmaceutical Chemistry**—A study of the development of pharmaceutical chemistry in relation to the history of other sciences, industry, and civilization.

One lecture. Jenkins.

205y. **Research in Pharmaceutical Chemistry**—Credit to be determined by the amount and the quality of the work performed.

Open to graduate students only. Jenkins.

CHEMISTRY (PHYSICAL)

102y. **Physical Chemistry**—Fundamental concepts of physical and colloidal chemistry. Prerequisites—Chemistry 1y, 2y, and 4s.

Throughout the fourth year, two lectures or recitations, one laboratory period. Vanden Bosche.

CHEMISTRY (PHYSIOLOGICAL)

103y. **Physiological Chemistry**—A study of the chemistry of metabolism, body fluids and secretions. Prerequisites—Chemistry 1y, 2y, and 4s.

Throughout the fourth year, two lectures or recitations and two laboratory periods. Bauer.

ECONOMICS AND LAW

1s. **Principles of Economics**—A study of the general principles of economics—production, exchange, distribution, and consumption of wealth.

Third year, second semester, three lectures or recitations. Cole.

2f. **Pharmaceutical Economics**—Business forms and practices applicable to pharmacy, including contracts, agency, insurance, with practice in bookkeeping, banking, and financial statements.

Fourth year, first semester, two lectures or recitations, one laboratory period. Cole and Wich.

3s. **Pharmacy Laws and Regulations**—Fundamentals of law of importance to pharmacists, with special reference to the regulation of the practice of pharmacy; laws and regulations pertaining to the dispensing of poisons, narcotics, and alcoholic liquors and preparations.

Fourth year, second semester, three lectures or recitations. Cole.

ENGLISH

1y. **Composition and Rhetoric**—The course embraces parts, principles, and conventions of effective thought communication; reading, study, and analysis of standard contemporary prose specimens; original exercises and themes.

Throughout the first year, three lectures or recitations. Pyles, Foley, and Kaler.

2y. **Reading and Speaking**—Principles and technic of oral expression; enunciation, emphasis, inflection, force, gesture, and general delivery of short original speeches. Impromptu speaking. Theory and practice of parliamentary procedure.

Throughout the second year, one recitation. Foley and Kaler.

MATHEMATICS

1f. **Algebra**—Quadratics, simultaneous quadratic equations, graphs, progressions, and logarithms.

First year, first semester, three lectures or recitations. Schad and Morrill.

2s. **Trigonometry**—Trigonometric functions, including deduction of formulas and their application to the solution of triangles, trigonometric equations, etc.

First year, second semester, three lectures or recitations. Schad and Morrill.

MODERN LANGUAGES

1y. **German**—Grammar, dictation, oral and written translation from English into German, reading of prose selections and short stories.

Throughout the first year, four lectures or recitations. Parsons and Prahl.

3y. **German**—Review of grammar and reading of prose selections during the first semester; reading of scientific texts during the second semester.

Throughout the first year, four lectures or recitations. Parsons and Prahl.

1y. **French**—Elements of grammar, drill upon pronunciation, composition, conversation, reading of prose selections and short stories.

Throughout the first year, four lectures or recitations. Parsons.

3y. **French**—Review of grammar and reading of prose selections during the first semester; reading of scientific texts during the second semester.

Throughout the first year, four lectures or recitations. Parsons.

Students will be assigned to one of the two languages by the department. The assignment will ordinarily be made on the basis of the student's previous training.

No credit will be given for the first semester until the second semester has been completed.

Eight hours credit in Spanish will be accepted in lieu of the foregoing.

PHARMACOLOGY

1y. **Pharmacology, Toxicology, and Therapeutics**—A study of the physiological action, toxicity, and therapeutic uses of medicinal substances, with special reference to the drugs and preparations of the United States Pharmacopoeia and the National Formulary. Prerequisite—Physiology 1s.

Throughout the third year, three lectures or recitations. Thompson, Ichniowski, and Roberts.

101f. **Biological Assaying and Testing**—A course in physiological drug assaying, with special reference to the methods of the United States Pharmacopoeia and the National Formulary. Prerequisite—Physiology 1s and Pharmacology 1y.

Fourth year, first semester, two lectures and two laboratory periods. Thompson, Ichniowski, and Roberts.

201y. **Advanced Biological Assaying and Testing**—A study of modern unofficial methods of physiological assaying applied to the evaluation of medicinal substances. Prerequisite—Pharmacology 101f.

Two lectures and two laboratory periods. Thompson.

202y. **Special Studies in Pharmacodynamics**—Chiefly a study of the stability of drugs and their corresponding pharmaceutical preparations by physiological assay methods. Prerequisite—Pharmacology 101f.

Two lectures and two laboratory periods. Thompson.

203y. **Research in Pharmacology and Therapeutics**—Credit in proportion to the amount and quality of the work performed.

Open to graduate students only. Thompson.

PHARMACY

1y. **Galenic Pharmacy**—A study of the theory of pharmaceutical manipulations and the practical application of the theory to the manufacture of galenic preparations.

Throughout the second year, three lectures or recitations, two laboratory periods. DuMez, Andrews, Baker, and Wright.

2y. **Dispensing Pharmacy**—A study of the compounding and dispensing of prescriptions. Prerequisite—Pharmacy 1y.

Throughout the third year, three lectures or recitations, two laboratory periods. Wolf, Andrews, Purdum, and Foss.

3y. **History of Pharmacy**—A study of the history of pharmacy from its beginning, with special emphasis on the history of American pharmacy.

Throughout the third year, one lecture. DuMez.

4f. **Pharmaceutical Mathematics**—A study of weights and measures, and the mathematical calculations employed in pharmacy.

Third year, first semester, two lectures or recitations. Andrews, Baker, Purdum, and Wright.

101y. **Manufacturing Pharmacy**—A continuation of the course given in the second year, with special reference to the methods employed in the manufacture of pharmaceuticals on a commercial scale.

Throughout the fourth year, two lectures or recitations, one laboratory period. DuMez and Andrews.

6y. **Pharmaceutical Practice**—Practical work in drug-store arrangement; the handling of drugs, medicines, and drug sundries, and in dispensing in hospital pharmacies. Prerequisite—Pharmacy 1y.

Throughout the fourth year, lectures, demonstrations, and 30 hours of practical work in a hospital pharmacy. Wolf and Andrews.

201y. **Advanced Pharmaceutical Technology**—A study of pharmaceutical manufacturing processes from the standpoint of plant; crude materials used, their collection, preservation, and transformation into forms suitable for therapeutic use.

Throughout the year, two lectures and two laboratory periods. DuMez.

202y. **Survey of Pharmaceutical Literature**—Lectures and topics on the literature pertaining to pharmacy, with special reference to the origin and development of the works of drug standards and the pharmaceutical periodicals.

Throughout the year, one hour. DuMez.

203y. **History of Pharmacy**—Lectures and topics on the development of pharmacy in America and the principal countries in Europe.

Throughout the year, two hours. DuMez.

204y. **Research in Pharmacy.**

Credit and hours to be arranged. DuMez.

PHYSICS

1y. **General Physics**—The laws, principles, and theories that govern the various physical phenomena in sound, light, magnetism, electricity mechanics, and heat.

Throughout the second year, three lectures or recitations, one laboratory period. Roseberry and Pittman.

PHYSIOLOGY

1s. **Physiology**—Elementary anatomy and histology of the body, including a study of the functions of the various organs and of dietetics.

Second year, second semester, three lectures or recitations. Thompson, Ichniowski, and Roberts.

ZOOLOGY

1f. **General Zoology**—A study chiefly of invertebrate animals, with laboratory work on typical specimens of each of the various phyla.

First year, first semester, three lectures or recitations, two laboratory periods. Thompson, O'Brien, and Carson.

2s. **Vertebrate Zoology**—Introduction to the Chordata; study of the functions or organs and anatomy of several vertebrate types, with special emphasis on the cat.

Second semester, three lectures or recitations, two laboratory periods. Required only of students preparing for medicine. Thompson, O'Brien, and Carson.

TEXT-BOOKS

The books required in each course will be announced at the beginning of each semester by the teacher in charge. Each student will be required to have his own text-books.

IMPORTANT NOTICE

The rules and conditions stated in this prospectus will govern students until the next succeeding issue, after which time they will be governed by the conditions stated in the latter.

ROLL OF STUDENTS

SESSION OF 1932-33

† GRADUATE STUDENTS

Baker, William B.....	Md.	Jaeggin, Richard Ben.....	Md.
Bauer, John Conrad.....	Md.	Manchey, Lessel Laven.....	Pa.
Cwalina, Gustav Edward.....	Md.	*Morstein, Raymond Milton.....	Md.
De Dominicis, Amelia Carmel.....	Md.	*Oken, Louis Edward.....	Md.
Dyott, William Heller.....	Md.	Purdum, William Arthur.....	Md.
Foss, Noel E.....	Minn.	Roberts, Bertran S.....	Md.
France, Mrs. Louise Sudbury.....	Ind.	Rosen, Harry.....	D.C.
Giffen, Robert Clark.....	Ohio	Rubenstein, Hyman Solomon.....	Md.
Goldstein, Samuel William.....	Md.	Sherman, Louis Lazar.....	Md.
Greenberg, Harry Lee.....	Md.	Shulman, Emanuel V.....	Md.
Holtgreve, Karl Harry.....	Md.	Slama, Frank James.....	Md.
Hunt, William Howard.....	Md.	Wright, Thomas Gorsuch.....	Md.
Ichniowski, Casimer Thaddeus.....	Md.	Zervitz, Max Morton.....	Md.
*Jacobs, Marion Lee.....	N.C.		

FOURTH-YEAR CLASS

Carr, Charles Jelleff.....	Md.	Karwacki, William Stanley, Jr.....	Md.
Downs, Grant.....	Md.	*Ladensky, William.....	Md.
Dvorak, George James.....	Md.	Mackowiak, Stephen Casimer.....	Md.
Feldman, Charles William.....	Md.	*Mendelson, Herman.....	Md.
Hightstein, Benjamin.....	Md.	Messina, Julius.....	Md.
Izcoe, Leonard Valentine.....	Pa.	*Segall, Jacob Roth.....	Md.
*Kahn, J. Leon.....	Md.	Young, James John.....	Md.

THIRD-YEAR CLASS

Abramowitz, Manuel.....	Md.	Lusco, Santi Vincent.....	Md.
Anderson, Truman Lee.....	Md.	Macks, Ben Harold.....	Md.
Balotin, Louis Leon.....	Md.	Markin, Samuel.....	Md.
Barshack, Jack.....	Md.	Mermelstein, David Harry.....	Md.
Beitler, Leonard.....	Md.	Miller, Abraham.....	Md.
Bennett, Lester Leroy.....	Md.	Moshenberg, William.....	Md.
Blum, Abraham.....	Md.	Myers, Charles.....	Md.
Bomstein, Sol.....	Md.	Newman, David.....	Md.
Brady, Robert Wilson.....	Md.	Novoy, Samuel.....	Md.
Brill, Leonard.....	Md.	Nusinow, Samuel.....	Md.
Browdy, Emanuel.....	Md.	Pass, Isadore.....	Md.
Burtnick, Lester L.....	Md.	Paul, Howard.....	Md.
Daily, Louis Eugene.....	Md.	Pinerman, Jerome.....	Md.
Dausch, Michael Joseph.....	Md.	Pollekoff, Morris.....	Md.
Dittrich, Theodore Thomas.....	Md.	Potash, Oscar Arthur.....	Md.
Dunker, Melvin Frederick William.....	Md.	Preston, Bernard John, Jr.....	Md.
Finkelstein, Karl Henry.....	Md.	Resnick, Elton.....	Md.
Fribush, Robert.....	Md.	Rotkovitz, William.....	Md.
Friedman, Albert.....	Md.	Rudman, Melvin Harry.....	Md.
Friedman, Gilbert I.....	Md.	Rudy, Harry Robert, Jr.....	Md.
Gareis, Calvin Louis.....	Md.	Safran, Sidney.....	Md.
Gitomer, Betty.....	Md.	Santoni, David Adam.....	Md.
Gleiman, Theodore.....	Md.	Sapperstein, William.....	Md.
Goldberg, Sigmund.....	Md.	Schmalzer, William Joseph, Jr.....	Md.
Goldsmith, Fred Emanuel.....	Md.	Schnaper, Morton Joseph.....	Md.
Greenfield, Charles.....	Md.	Serra, Catherine Margaret.....	Md.
Hendelberg, Isadore.....	Md.	Shear, Meyer Robert.....	Md.
Henderson, Nathaniel P.....	Md.	Shuster, Leon Paul.....	Md.
†Hewitt, Cecil Bowen.....	Md.	Smith, Maurice R.....	Md.
Hillman, Gilbert.....	Md.	Sperandeo, Frank J.....	Md.
Kaplan, Isadore.....	Md.	Taich, Louis.....	Md.
Kemick, Irvin Bernard.....	Md.	Tattar, Leon Lee.....	Md.
Kirson, Jerome.....	Md.	Thayer, Franklin Edmondson.....	Md.
Klotzman, Robert Harold.....	Md.	Troja, Louis Francis, Jr.....	Md.
Kolman, Lester Norman.....	Md.	Velinsky, Sylvia Lois.....	Md.
Lapin, Bernard Jacob.....	Md.	Vogel, Louis Jr.....	Md.
Levin, Bernard.....	Md.	Wilderson, Reginald Stitely.....	Md.
Levin, Philip.....	Va.	Witzke, Louis Henry.....	Md.
Leyko, Gregory William August.....	Md.	Yevzeroff, Jeanette Estelle.....	Md.

†Registered in Graduate School.

*Did not attend entire session.

†Deceased January 10, 1933.

SECOND-YEAR CLASS

Abrams, Jesse	Md.	Komenda, Raymond Joseph	Md.
Anderson, Solon Lee	Md.	Lang, Louis William	Md.
August, Henry John	Md.	Lasowsky, Frederick William	Conn.
Bercovitz, Leon Judah	Md.	Leibowitz, Benjamin	Md.
Berman, Abraham Samuel	Md.	Leites, Blanche	Md.
Blitz, Louis	Md.	Levenson, Julius Victor	Md.
*Blivess, Manuel	Md.	Lindenbaum, Morris	Md.
Borcherding, William Henry	Md.	Liss, Nathan Isaac	Md.
Brownstein, Milton J.	Md.	Loftus, John	Md.
Chenowith, Ralph Stallings	Md.	Lutzky, Joseph	Md.
Chin, Lillian	Md.	Maggio, Anthony Joseph	Md.
Ciurca, Joseph Charles	Md.	Mailman, Norton William	Md.
Coakley, Andrew Joseph	Md.	Mandrow, Mary Annie	Md.
Cohen, Bernard C.	Md.	Marcus, Max	Md.
Cohen, Martin Smith	Md.	Markin, Edward Abraham	Md.
Cohen, Morris	Md.	Mendelsohn, Israel	Md.
*Cohen, Samuel	Md.	Mentis, Anthony Peter	Md.
Conner, Elmer Smith	Md.	Michael, Lucas A.	Md.
Danoff, Abe	Md.	Millman, Harry Charles	Md.
Dickman, Arnold Louis	Md.	Molinari, Salvatore	Md.
Dodd, William Anthony	Md.	Molofsky, Leonard Carl	Md.
Doigin, Daniel	Md.	Morris, Samuel	Md.
Drennen, James Holly	Md.	Muller, Stephen Edwin	Md.
Dubin, Max	Md.	Musher, Arthur Albert	Md.
Eichert, Arnold Herman	Md.	Noel, Harriet Ruth	Md.
Eisenberg, Louis	Md.	Ogrinz, Alexander John	Md.
Feinstein, Isadore	Md.	Plovsky, Nathan	Md.
Feret, Julius Walter	Md.	Portney, Samuel	Md.
Fink, Francis Thomas	Md.	Pressman, Harry	Md.
Finkelstein, Elwood	Md.	Prostic, Harry	Md.
Fox, Samuel Louis	Md.	Richmond, Sewell Edward	Md.
Friedman, Milton	Md.	Rose, Louis	Md.
Gettier, Henry Clarke	Md.	Rosenberg, Leon	Md.
Glass, Abraham L.	Md.	Schaefer, John Ferdinand	Md.
Goldman, Harold Kaufman	Md.	Schammel, Adam John	Md.
Goodman, Sylvan	Md.	Scheinker, William Hillel	Ohio
Goteiner, Hymen	Md.	Schwartz, Alvin	Md.
Grau, Frank James	Md.	Schwartz, Edward	Md.
Grossman, Bernard	Md.	Schwatka, William Herdman, Jr.	Md.
Grzezka, Michael Francis	Md.	Seveik, Charles Vincent	Md.
Gurbelski, Alfred Michael	Md.	Sharp, Nathaniel	Md.
Guyton, William Lehman	Md.	Sheppard, Robert Clay	Md.
Haase, John Henry	Md.	Shure, Irvin	Md.
Haransky, David	Md.	Skruch, Walter John	Md.
Hare, Clifford Allen, Jr.	Md.	Sollod, Melvin Joseph	Md.
Harmatz, Irving Joseph	Md.	Sollod, Sylvan J.	Md.
Healey, William George, Jr.	Md.	Solomon, Jesse	Md.
Honkofsky, Jerome	Md.	Stain, Dorothy Mae	Md.
*Hoopes, David Thomas	Md.	Steel, Harold	Md.
Hornig, Frank A., Jr.	Md.	Steinberg, Morris William	Md.
Horwitz, Isadore	Md.	Stiffman, Jerome Abraham	Md.
Januszkeski, Francis Joseph	Md.	Swiss, Adam George	Md.
Jeppi, Elizabeth Veronica	Md.	Taylor, Leon Joseph	Md.
Katz, Ely Sidney	Md.	Tucker, Alexander	Md.
Katz, Gabriel Elliott	Md.	Urlock, John Peter, Jr.	Md.
Katzoff, Isaac Jack	Md.	Warshaw, Samuel	Md.
Kirk, Catherine Evans	Md.	Weisman, Harry Lee, Jr.	Md.
Kolker, Frank M.	Md.	Yakel, John Stanley, Jr.	Md.

FIRST-YEAR CLASS

Alperstein, Reuben Robert	Md.	Cherry, Bernard	Md.
Arenson, Benjamin	Md.	Cichetti, Licinio Thomas	Md.
Aumiller, William Nicholas	Md.	Cohen, Frank Samuel	Md.
Austin, John Marshall	Md.	Cohen, Samuel Herbert	Md.
Baylus, Herman	Md.	Damico, Samuel	Md.
Bellman, Frank Albert	Md.	David, Irvin	Md.
Berkowich, Melvin Irwin	Pa.	DeBois, Stanley	Md.
Bernstein, Aaron	Md.	England, John Edwin	Md.
Bliden, Abraham	Md.	Enten, Harry	Md.
Blumenstein, Alford	Md.	Epstein, Louis	Md.
*Burke, Eugene Hayward	Md.	Euzent, Hannah	Md.
Caplan, Daniel William	Md.	*Federico, Philip Joseph	Md.
Carter, Thomas Linwood	Md.	Fish, Herman Jesse	Md.

*Did not attend entire session.

FIRST-YEAR CLASS—(Continued)

Foster, Carroll Pross.....	Md.	Rachuba, Lawrence William.....	Md.
Foster, Richard Ivanhoe, Jr.....	Md.	Reamer, Sidney Harold.....	Md.
Freed, Arnold Ulysses.....	Md.	Reimann, Dexter LeRoy.....	Md.
Freedman, Albert.....	Md.	Richter, Conrad Louis.....	Md.
Gaver, Leo Junior.....	Md.	Robinson, Harry Bernard.....	Md.
Gendason, Charles.....	Md.	Robinson, Raymond Clarence Vail.....	Md.
Ginaitis, Alphonsus Stephen.....	Md.	Rodney, George.....	Md.
Goldberg, Sylvan David.....	Md.	Romney, Carroll Edward.....	Md.
*Goldman, Wilford.....	Md.	*Rubin, Rebecca.....	Md.
Gounaris, Themistocles N.....	Md.	Sadove, Max Samuel.....	Md.
Hartman, Oscar.....	Md.	Sause, Milton Philip.....	Md.
Hewing, Ada Chamberlain.....	Md.	Schaech, John Gerard.....	Md.
*Hillis, Frank Norman, Jr.....	Md.	Schmitt, William John.....	Md.
Hoffman, Asher.....	Md.	Schulte, William Albert.....	Md.
Jankiewicz, Frank Joseph.....	Md.	Schumm, Frederick Albert.....	Md.
Kamber, Bertram.....	Md.	Shochet, Sidney.....	Md.
Kandel, Leonard Elliot.....	Md.	*Shuman, Morris.....	Md.
Kappelman, Melvin Daniel.....	Md.	Siegrist, John Clifford.....	Md.
Kieczynski, Thomas Carter.....	Md.	Silberg, Harvey Gerald.....	Md.
Kobin, Benny.....	Md.	Silver, Madaline Sylvia.....	Md.
Kurland, Albert Alexander.....	Pa.	Silverman, Sylvan.....	Md.
Laken, Benjamin Bernard.....	Md.	Sister Mary Adamar Mess.....	Md.
Lehtinen, Helen M.....	Md.	Sister Mary Theodosia Pruner.....	Md.
Levin, Benjamin.....	Md.	Smith, William Harry, Jr.....	Md.
Levin, Israel.....	Md.	Sopher, Edith.....	Md.
Levin, Nathan.....	Md.	Stark, John Walter.....	Md.
*Luiza, John Felix.....	Md.	Stradley, Thomas Allen.....	Md.
Lumpkin, William Randolph.....	Md.	Survil, Anthony Adolph.....	Md.
Marks, Irving Lowell.....	Md.	*Swiss, Leonard Bernard.....	Md.
McGinity, F. Rowland.....	Md.	Tenberg, David Paul.....	Md.
McNamara, Bernard Patrick.....	Md.	Thompson, Norman Benjamin.....	Md.
*Mikolayunas, John Peter.....	Md.	Thompson, Paul Howard.....	S.D.
Mitnick, Harry.....	Md.	Tillery, John William.....	Md.
Moskey, Thomas Andrew, Jr.....	D.C.	Tramer, Arnold.....	Md.
Muskatt, Edith.....	Md.	Tublin, Solomon.....	Md.
*Nowak, Frank Richard.....	Md.	Valle, Philip Joseph.....	Md.
Nuttall, James Baker.....	Md.	Vondracek, John Wesley.....	Md.
Ogurick, Alex.....	Md.	Walb, Winfield Alexander.....	Md.
*O'Neill, James Joseph.....	Md.	Walman, Morris.....	Md.
Paul, Frank Ronald.....	Md.	Weisman, George Mantell, Jr.....	Md.
Peretz, Harry.....	Md.	Wheat, Raymond Mass.....	Md.
Pincus, Julius.....	Md.	Wilder, Milton Jay.....	Md.
Platt, William.....	Md.	Winakur, Arthur.....	Md.
Pollack, Albert Joseph.....	Md.	Yaffe, Kennard Levinson.....	Md.
Pollack, Louis Joel.....	Md.	Yaffe, Morris Robert.....	Md.
*Porter, Vernon John.....	Md.	Youch, Charles Anthony.....	Md.
*Prucha, Anthony James.....	Md.		

SPECIAL STUDENTS

*Criins, Howard Alonzo.....	R.I.	*Muth, William J. Jr.....	Md.
*Cuddy, John Henry.....	R.I.	Schmidt, Jacob E.....	Md.
David, Henry.....	Md.	*Velenovsky, Joseph John.....	Md.
*Gottdiener, Elvin Edward.....	Md.	Weis, Ada Elizabeth.....	Md.

ROLL OF GRADUATES, JUNE 4, 1932

† MASTER OF SCIENCE

Amelia Carmel DeDominicis.....	Md.	Casimer Thaddéus Ichniowski.....	Md.
Noel E. Foss.....	Md.	Max Morton Zervitz.....	Md.
Edward Melchoir Hoshall.....	Md.		

BACHELOR OF SCIENCE IN PHARMACY

William Baker.....	Md.	Benjamin H. Ginsburg.....	Md.
Paul Elliott Carliner.....	Md.	Herbert Goldstone.....	Md.
Lawrence Jack Cohen.....	Md.	Howard Goodman.....	Md.
Justin Deal.....	Md.	Joseph Gordon.....	Md.
Samuel Diener.....	Md.	Isaac Gutman.....	Md.
William Heller Dyott.....	Md.	Karl H. Holtgreve.....	Md.
Leon Henry Feldman.....	Md.	†William Howard Hunt.....	Md.

*Did not attend entire session.

†Degree conferred by Graduate School.

‡Degree conferred September, 1932.

BACHELOR OF SCIENCE IN PHARMACY—(Continued)

Richard Ben Jaeggin.....	Md.	Sylvan I. Rubin.....	Md.
Bernard Jaffe.....	N.Y.	Nathan Rudo.....	Md.
Nathan B. Janousky.....	Md.	Hyman S. Rubinstein.....	Md.
Edward S. Kallins.....	Md.	Milton S. Sacks.....	Md.
Joseph Katz.....	Md.	Dorothy Elizabeth Schmalzer.....	Md.
Sylvia Millett.....	Md.	Daniel James Schwartz.....	Md.
Raymond Milton Morstein.....	Md.	Theodore Allison Schwartz.....	Md.
Maxwell Herschel Mund.....	Md.	Louis Lazar Sherman.....	Md.
Louis Edward Oken.....	Md.	Earl Maurice Wilder.....	Md.
William Arthur Purdum.....	Md.	Nathan Wolf.....	Md.
Samuel J. Rostov.....	Md.	Joseph I. Wollman.....	Md.

GRADUATE IN PHARMACY

Daniel J. Abramson.....	Md.	Walter Kirson.....	Md.
Wilbur Gibson Askey.....	Md.	Leonard Howard Kramer.....	Md.
Richard Freeman Austraw.....	Md.	A. M. Libowitz.....	Md.
John Cletus Baier.....	Md.	Edward Bennett Love.....	N.J.
Samuel D. Beck.....	Md.	Stephen C. Mackowiak.....	Md.
Frederick Theodore Berman.....	Md.	Herman Mendelson.....	Md.
C. Jelleff Carr.....	Md.	Julius A. Messina.....	Md.
Leo M. Czekaj.....	Md.	Reuben Miller.....	Md.
Louis D. Davis.....	Md.	Marius Anthony Moscati.....	Md.
Joseph Drozd.....	Md.	Joseph Robert Myerovitz.....	Md.
George James Dvorak.....	Md.	Lyndon Beaver Myers.....	Pa.
Martin David Eisen.....	Md.	Morton Elliott Naiditch.....	Md.
Milton Leonard Elsberg.....	Md.	Anthony Victor Ordecki.....	N.J.
Luis Palagan.....	Porto Rico	William Andrew Parr.....	Md.
Charles William Feldman.....	Md.	Charles Michael Pfeifer.....	Md.
†Milton Herbert Feldman.....	Md.	Jerome Richmond.....	Md.
Morris Feldman.....	Md.	Demetria A. Rodriguez.....	Porto Rico
Mildred Carol Fleagle.....	Md.	Morris Sacks.....	Md.
†Marvin Jay Foxman.....	Md.	George Eugene Sandals.....	Conn.
Isaac Frohman.....	Md.	Jacob E. Schmidt.....	Md.
Irving Oscar Galperin.....	Md.	Jacob Roth Segall.....	Md.
Harry Joel Goldberg.....	Md.	Harry High Sellers.....	Md.
Charles Gordon.....	Md.	Lawrence Joseph Shimanek.....	Md.
Samuel Gordon.....	Md.	Albert Robosson Shipley.....	Md.
Bernard M. Gorfine.....	Md.	Irving Silberman.....	Md.
†Alvin A. Greenberg.....	Md.	Joseph Silberman.....	Md.
John Conrad Heck.....	Md.	Samuel Sisco.....	Md.
Henry Heneson.....	Md.	Sidney Snyder.....	Md.
Leonard Louis Hens.....	Md.	Joseph Louis Stecher.....	Md.
Joseph James Hulla.....	Md.	Albert Steiner.....	Md.
Louis Jacobs.....	Md.	Edward C. Vojik.....	Md.
Bernard C. Jules.....	Md.	Daniel George Wehner.....	Md.
Felix H. Kaminski.....	Md.	Ida Noveck Wolf.....	Md.
William Stanley Karwacki, Jr.....	Md.	James John Young.....	Md.
Nathan Allen Kelman.....	Conn.	Sidney Zerwitz.....	Md.
Charles Raymond Kesmodel.....	Md.		

HONORS AND AWARDS

Gold Medal for General Excellence.....JACOB E. SCHMIDT

The William Simon Memorial Prize for Proficiency in Practical Chemistry

FELIX H. KAMINSKI

The Charles Caspari, Jr., Memorial Prize (\$50.00).....IDA NOVECK WOLF

The H. A. B. Dunning Fellowship.....NOEL E. FOSS

Alumni Research Grant.....HARRY LEE GREENBERG

CERTIFICATES OF HONOR (THIRD-YEAR CLASS)

IDA NOVECK WOLF

JULIUS A. MESSINA

FELIX H. KAMINSKI

HONORABLE MENTION (SECOND-YEAR CLASS)

MELVIN F. W. DUNKER

SYLVIA LOIS VELINSKY

THEODORE T. DITTRICH

†Degree conferred September 1932.
