Marta Elliott & James M. Ragsdalep

p. 484-492

Having nobody close to me: Social (dis)connections in and out of the workplace and psychological consequences among employees of small- and medium-sized enterprises in Japan
Shinichi Nagata & Aiko Hoshino

p. 493-504

The associations between moral injury and suicidal thoughts and behaviors among healthcare workers

Benjamin M. Campbell, Tourna N. Khan, Sinan S. Anwar, Michael A. Knipp & Rachel A. Hoopsick

p. 505-521

The effects of mindfulness and psychological capital on reducing worker stress and promoting health

Israel Sánchez-Cardona, Lili M. Sardiñas, Eric A. Rivera-Colón, Camille Vélez Alamo, Brian A. Moore & Marizada Sánchez-Cesareo

p. 522-541

“My voice does not matter...” a qualitative analysis of clinician experiences with psychological safety, the work environment, and burnout

Rosalind de Lisser, Jana Lauderdale, Joanne Spetz, Mary S. Dietrich, Rangaraj Ramanujam & Deonni P. Stollendorf

p. 542-565

The efficacy of employee assistance programs on nurses’ perceived job satisfaction: An integrative review

Kristy Babin, Erica Harder, Ali Rezayee, Nicole King, Kopila Dangal & Alivia Gabriel

p. 566-586

The relation of telework, hybrid work, and in-person work to mental health: A study of Brazilian civil servants

Danísio C. Cavalcante, Renzo Bianchi, Irvin Sam Schonfeld, Rita Martins, Miguel Cameira & Cristina Queirós

p. 587-601

The impact of adverse childhood experiences, work experiences, and demographic characteristics on Professional Quality of Life among homeless services workers

Amanda Aykanian, Karin M. Eyrich-Garg & Jennifer Frank

p. 602-620

Boosting workplace well-being: Unveiling the impact of digital tools

Clément Poirier & Margaux Gelin

p. 621-640

Challenges and opportunities in healthcare workplace violence training: A qualitative study of staff experiences

Daniel I. Jackson, Tensing Maa, John Luna, Yungui Huang, Mary A. Fristad & Emre Sezgin
p. 641-654

“To know that someone is there makes you feel safer.” Qualitative insights into work values and expectations of young Faroese employees

Annika H. Davidsen, Elsubet Vidtfeldt, Herborg Haraldsen, Lea V. Árting & Lene B. Meyer
p. 655-673

The Core Competency Model for Military (CCM-M): A suicide prevention training approach for working with military populations

Robert J. Cramer, Marquita R. Bennette, Melissa Troncoso, Shawna Grover, Kelly Schneck, Michael Franks, Shannon M. Cain, Heather L. Rikli, Cindy Charles & Justin C. Baker
p. 674-695

Firefighters in Atlantic Canada: Balancing professional obligations and familiarity in rural communities

Rachel Richmond, Rosemary Ricciardelli, Bridget Barry & Heidi Cramm
p. 696-715

Beyond tenure: Empowerment, job satisfaction, and a Bully-Free Egyptian Academia

Nayera Mohamed Shousha & Mohamed Abdelrahman
p. 716-734

Examining work-related suicide risk factors among food and beverage service industry workers

Danya M. Serrano, Katrina A. Rufino & Hernan Aguilar
p. 735-756

The potential impact of emergency response team (ERT) membership on mental health: a scoping review

Zachary Towns & Rosemary Ricciardelli
p. 757-787

The relationship between burnout and Outlook, Resilience, and other emotional styles: Evidence from United Methodist clergy

Malik Muhammad Sohail, Jia Yao, Bo-Hyeong Jane Lee, Glaucia Nascimento Salgado & Rae Jean Proeschold-Bell
p. 788-808

Disrupted meaningfulness: The side effects of discrimination on well-being

Rocco Palumbo
p. 809-833

Fear of infections by healthcare workers in South East Nigeria during COVID-19 pandemic: Assessing the expected roles of social workers

Ngozi Christiana Nwadike & Emmanuel Onyemaechi Ugwu
p. 834-850
