

April 7, 1967

Honorable Spiro T. Agnew
State House
Annapolis, Maryland

Re: Support of H.B. 736

Dear Governor Agnew:

The American Physical Therapy Association of Maryland requests that you sign H.B. 736 which updates the definition of physical therapy. We firmly believe that signing this bill will provide Maryland with one of the best definitions of any State in the Country.

Sincerely,

Florence P. Kendall
Chairman, Legislative Committee
