D., to be Professor of Special Dental Pathology and Therapeutics, and H. WILLIS BAXLEY, M. D., to be Professor of Special Dental Anatomy and Physiology.

SEC. 3d. "And be it enacted, that the said Professors and their successors shall be and are hereby declared to be a corporation and body politic, to be perpetuated under the name of the 'BALTIMORE COLLEGE OF DENTAL SURGERY.'

"And be it enacted, that the said Professors shall have full power to confer on any student who shall have attended all the lectures in said College for two terms, and all others who, after an examination by the Professors, shall have been found worthy, the degree of Doctor of Dental Surgery.

SEC. 10th. "And be it enacted, that the Professors shall have power to confer the honorary degree of Doctor of Dental Surgery on any Dentist who may have rendered service to the Science, or distinguished himself in his profession."

The necessity existing for a Catalogue of the Faculty and Alumni of the Baltimore College of Dental Surgery, the first Dental College ever established, from the date of its incorporation to the present time, is apparent to all interested in its welfare.
