

Hi, all!

One of my Church's Outreach Ministries is called Thoughtful Wishes. This involves making cards each month for one of several nursing homes/rehab centers in the greater Bel Air area. While I've been doing this for many years now, our Day of Service came right at the time I needed to make my July cards.

As nursing homes & rehab facilities have not allowed any visitors to their facilities, getting a card is often one of the few contacts with the outside world since COVID.

Thanks for sharing some of your inspiring ideas!
