Dean and Professor

University of Maryland School of Nursing

Dr. Jane M. Kirschling was appointed dean of the University of Maryland School of Nursing (UMSON) and director of interprofessional education at the University of Maryland, Baltimore in January 2013. She previously held administrative and faculty positions at the University of Kentucky, University of Southern Maine, University of Rochester, and Oregon Health & Science University.

Dean Kirschling's clinical expertise is in mental health nursing with a focus on end-of-life care. Early in her career, Dean Kirschling's research centered on assisting families through the process of providing care for a terminally-ill loved one and the grieving process after death. In the past decade, she has focused on workforce development with an emphasis on rural states.

Dean Kirschling's expertise in these areas will help strengthen UMSON's educational programs and further develop its research enterprise, particularly as it relates to the national focus on health care reform. In addition, her experience in statewide and rural issues will help to effect change in Maryland.

At the national level, Dean Kirschling has served on the American Association of Colleges of Nursing Board of Directors since 2004, began a two-year term as president in 2012, and is the grassroots co-liaison for Maryland. She also founded the Kentucky Nursing Capacity Consortium and co-convened Kentucky's Action Coalition, which is working to implement the Institute of Medicine's 2010 recommendations on the "Future of Nursing." Additionally, Dean Kirschling serves on the Maryland Action Coalition as an executive committee member.

Throughout her career, Dean Kirschling has received numerous awards for her accomplishments, including the Beth Wessinger Award from the Oregon Hospice Association in 1995, the Organization of Maine Nurse Executives Leadership Achievement Award in 2003, the Agnes E. Flaherty Leadership Award from the American Nurses Association-Maine in 2006, and the Hospice and Palliative Nurses Association's Leading the Way Award in 2013. She was co-recipient of the Kentucky Nurses Association's Nurse of the Year Award in 2010 and received the Kentucky Nurse Practitioner Advocate of the Year in 2011. She is an alumna of the Robert Wood Johnson Foundation Nurse Executive Fellows Program (2000-2003) and was inducted as a Fellow in the American Academy of Nursing in 2009.

Dean Kirschling received her Bachelor of Science in Nursing degree from Viterbo College in LaCrosse, Wis., and her Master of Science in Nursing and PhD degrees from the Indiana University School of Nursing.
