

MAHSL MLA C.E. Class
“Librarians: Let’s Escape the Box”
March 12, 2010
10am – 3pm

Instructor: Diane Wolf, MLA
Wolf Information Experts (formerly at Christina Care Health System,
Delaware)

Course

Description: This class will focus on strategic positioning, with an emphasis on applying librarian expertise outside of the physical library space. The topics to be covered include services to the business side of the hospital, clinical medical librarian programs, serving on hospital committees, marketing library services, and applying concepts of evidence-based health care to non-clinical as well as clinical information services. The class will also offer a brief review of time management issues and program proposal writing.
