Hello all –

After today's earlier long message, I am spent. So this will be brief. I will recover during my day off tomorrow.

Huge shoutout to the Citizen Science team – way to pull it over the finish line. What a great team effort. Congratulations!

Another shout out again to our own Employee of the Month, Patrick Williams! Woo Hoo!

And on the good news front, since there will be a new UMB Strategic Plan, we won't be doing our in-depth summertime review of our current strategic plan because we will be writing a new one to be completed by December 2021! We will be looking for input from key stakeholders and most importantly from all of you.

Later in June, I have asked Tony and James to give the staff a presentation about the new Region 1 and the Network Web Services Office. Stay tuned.

And that is sort of it.

Some humor:
For CATS:

For Grandparents and Parents:

And for all of us:

Thoughts and prayers to anyone trying
on last summer's shorts.

Stay safe and well!

M.J.
